. . . this time called life, was meant to share . . .

The value of life
Lies, not in the length of the days
But in the use we make of them,
A man may live long,
Yet very little,
Satisfaction in life depends
Not on the number of your years;
But on your world.

-Montaigne

Our days on the earth
are as a shadow
-Bible

The One remains, the many change and
pass;
Heaven's light forever shines, Earth's
shadows fly;
Life, like a dome of many- colored glass,
Stains the white radiance of Eternity,
Until Death tramples it to fragments

-Percy Bysshe Shelley

POOH: BESTEST Buddie

WELL ANOTHER YEAR is gone, and our freind-ship is still going strong. I'll always REMEMBER all the fun things we did our last year, and those CRAZY's Saturday's. I don't know what I ever would have done, if we haven't became freinds, I probaly would still be by my self. I REALLY don't know what to say', I can say it so much better in person.

Lynn, I cherish your friend-ship very highly, and whenever you need someone to talk to, please come to me. I'm always willing to listen.

Buddie
Thanks for making my Senior year an enjoyable one. And for being you.

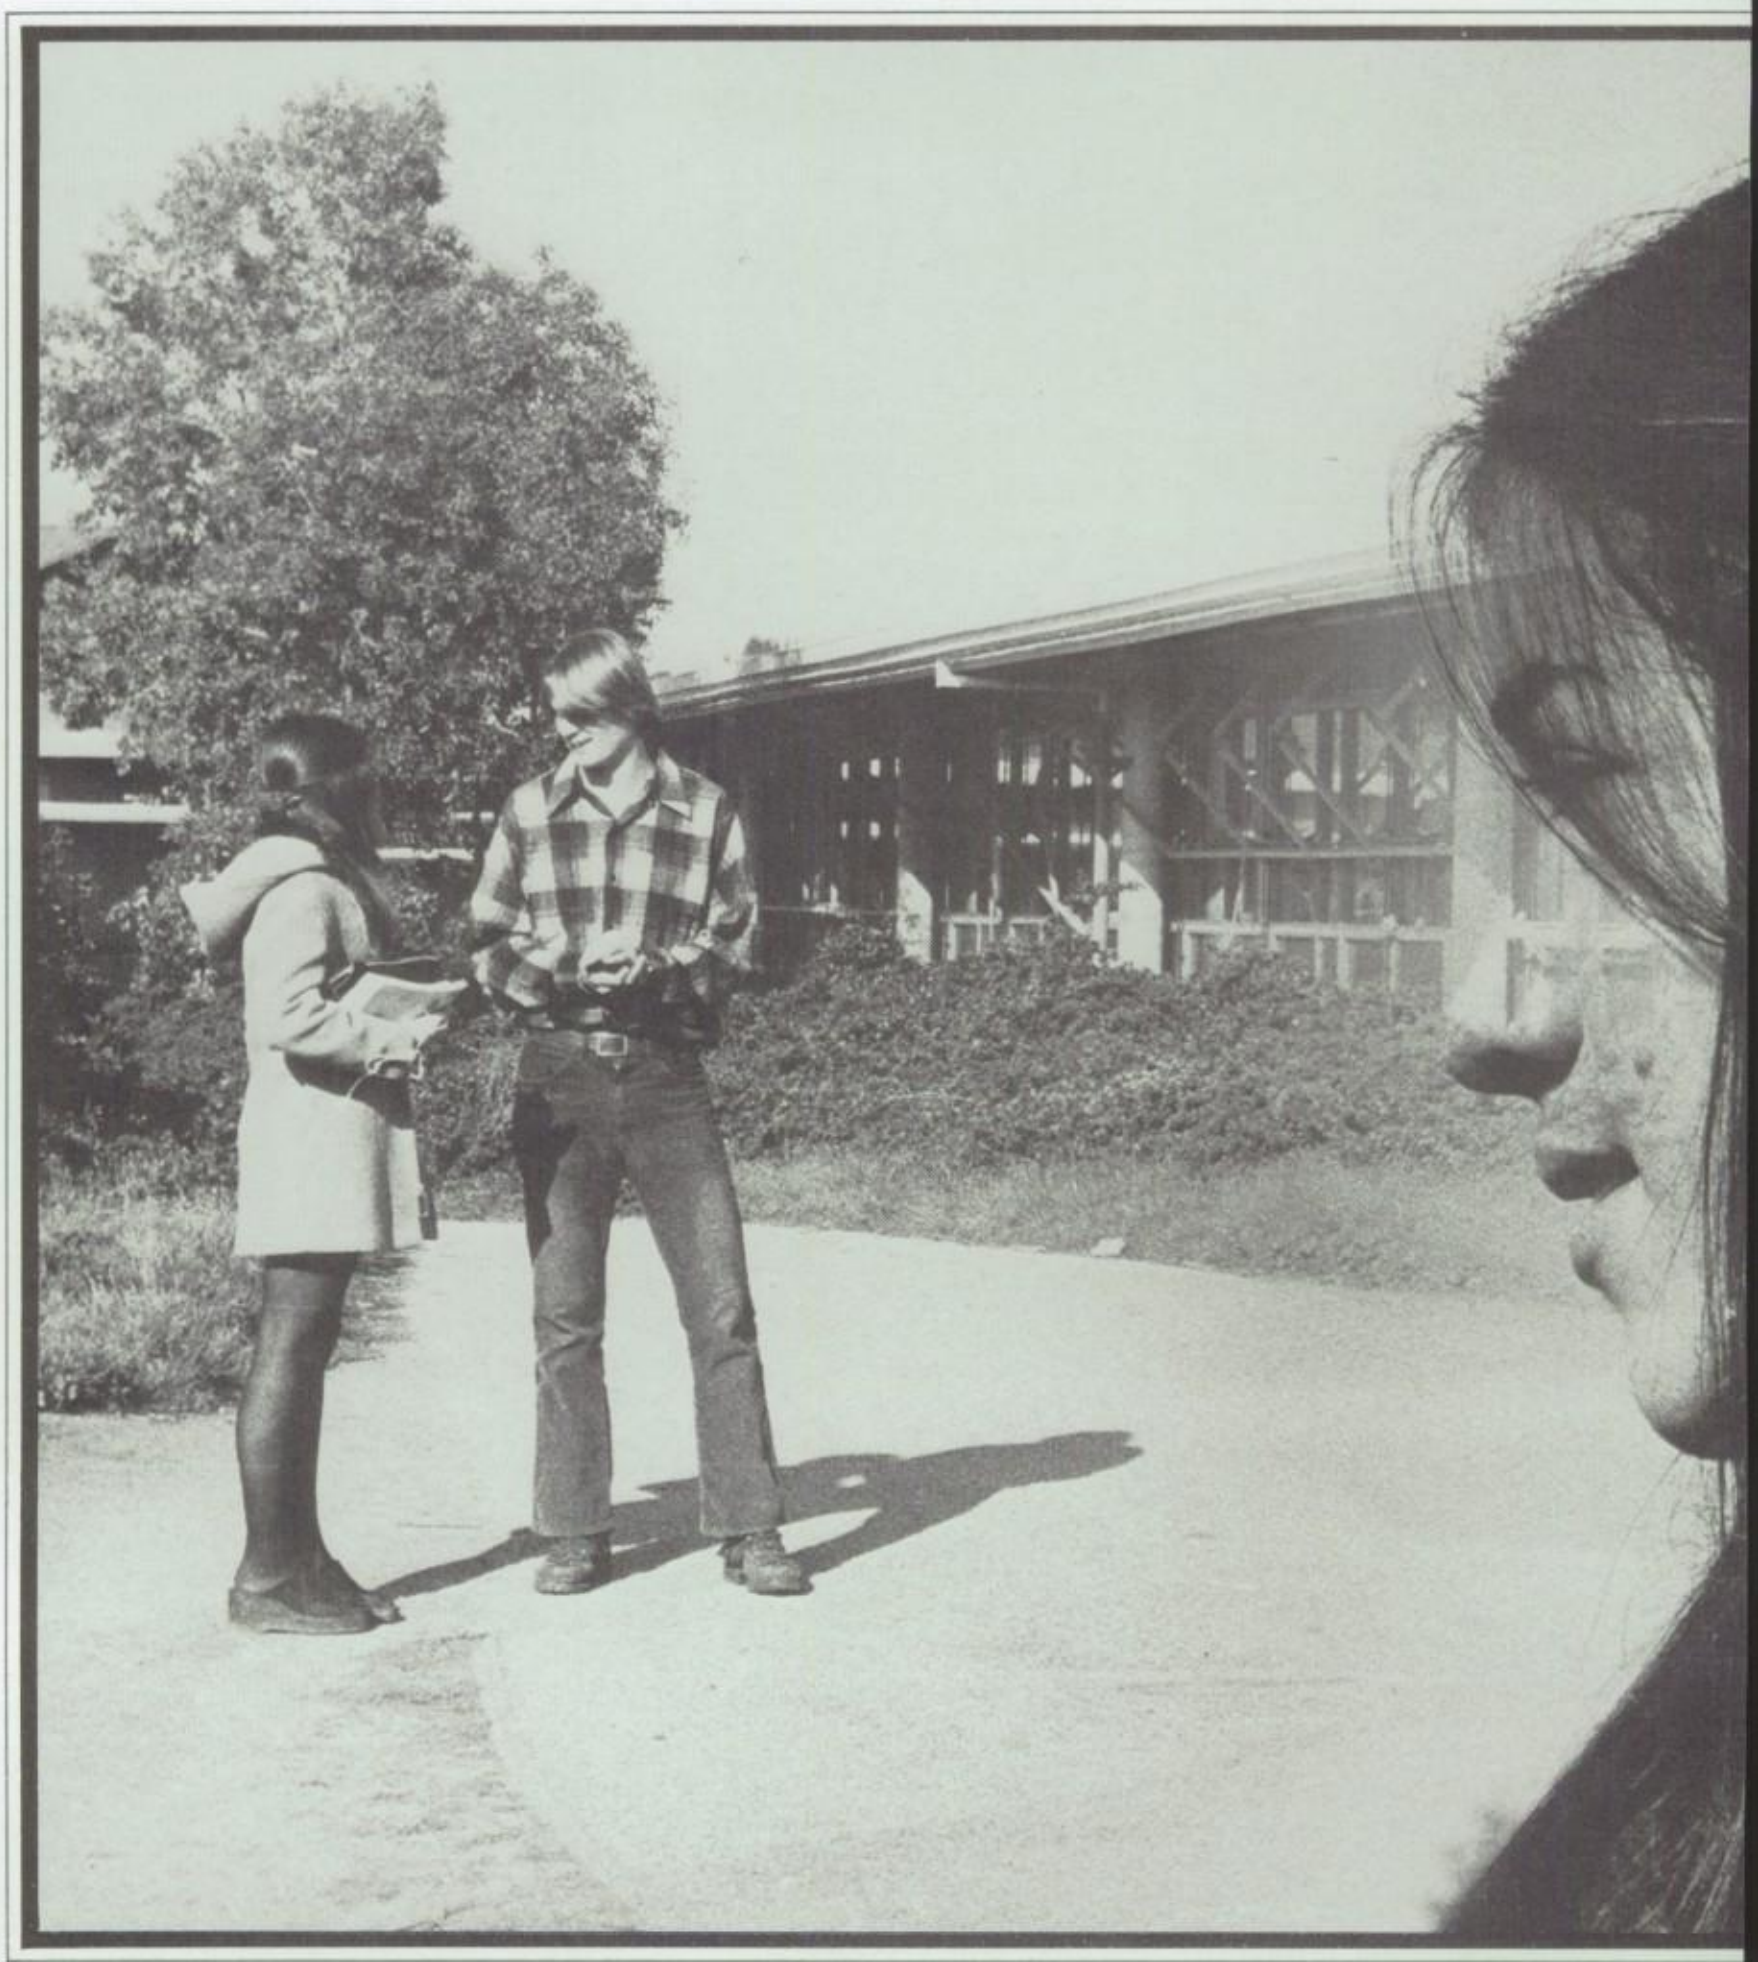
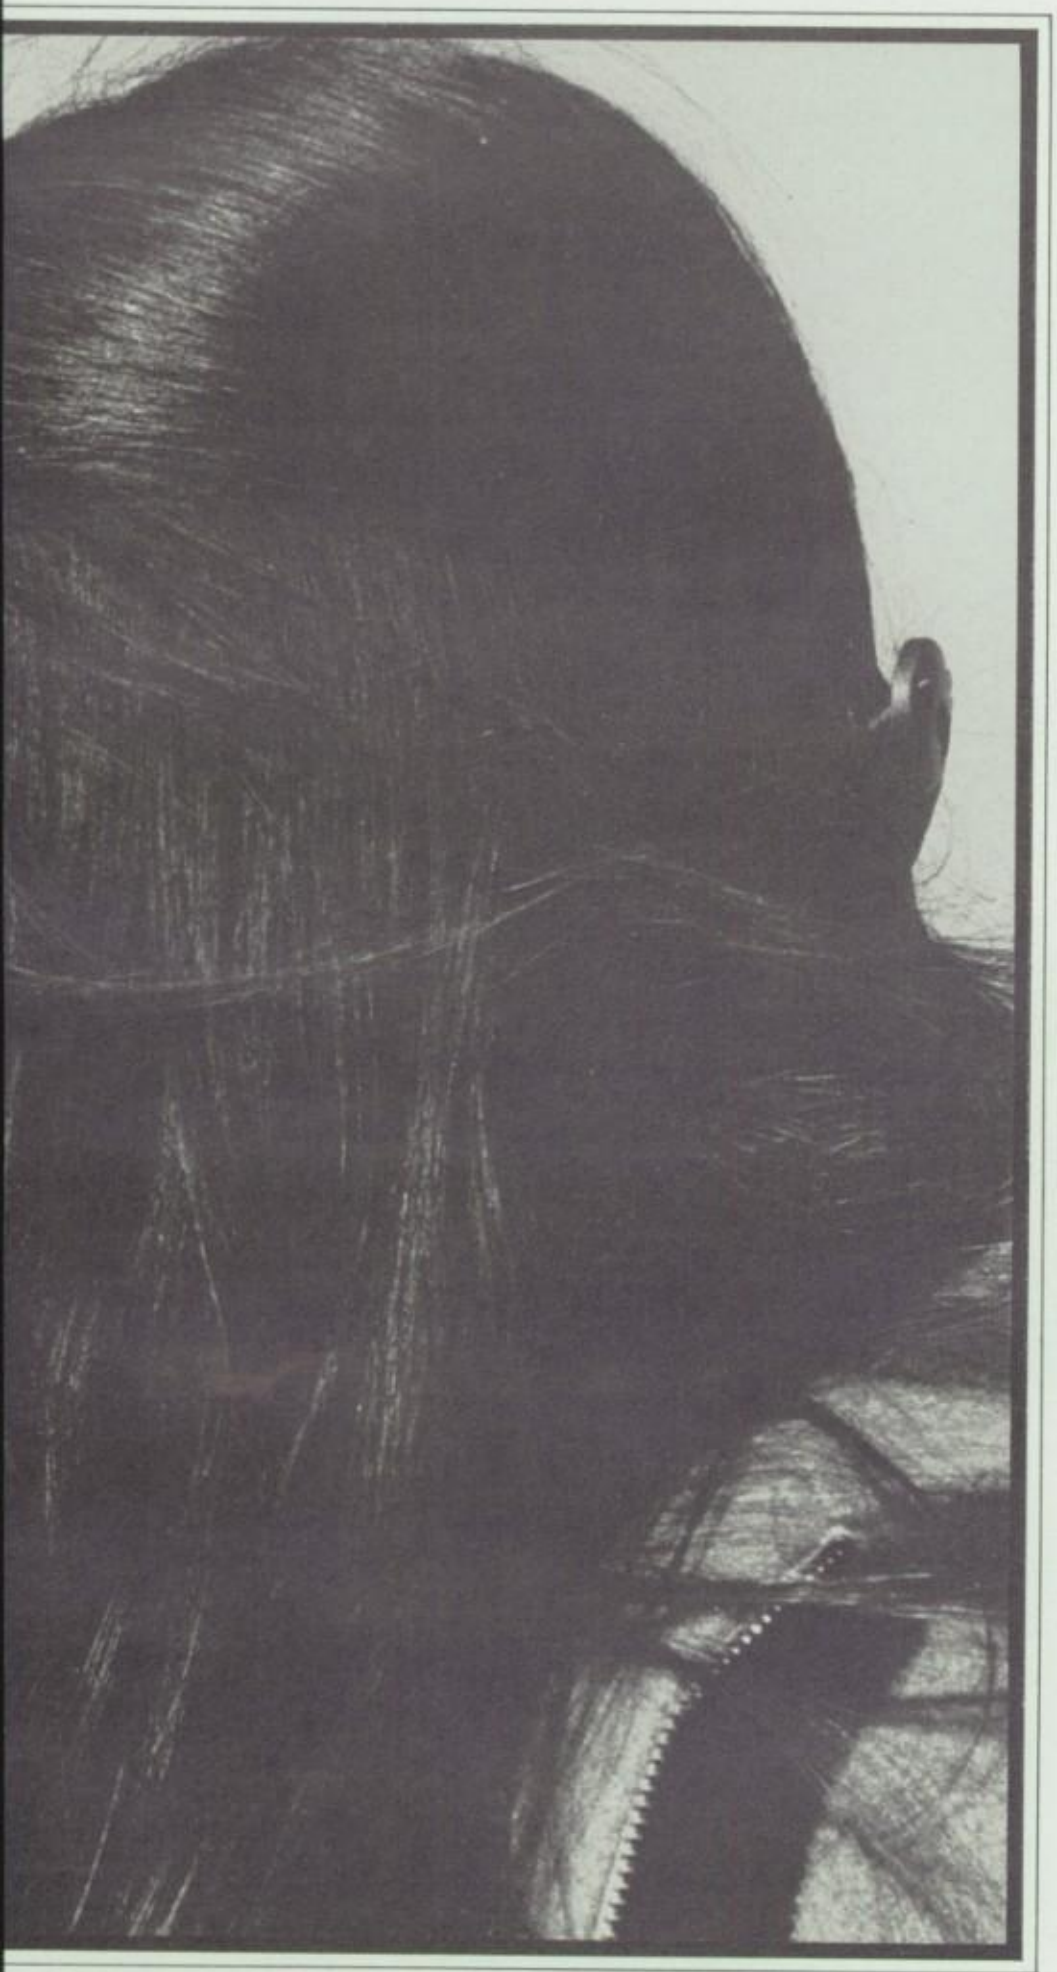
JUNIORS





Nothing is more wondrous
Than a human being
When he begins to
Discover himself

- Walter Rinder

Earning Money to Spend in 1974 Was the Juniors' Main Project;

Instead of electing class officers, the juniors chose to call class meetings and those interested could come and work. This proved to be a much better system. A lot more was accomplished since no one was obligated to come all the time. Volunteers were placed on the committees of their choice. A chairman and co-chairman were selected over all the groups and chairmen for each individual group. The chairmen met often to make sure things ran smoothly. The juniors planned Spirit Week and the Homecoming Activities for football season in October, both were very successful. Money is what the Class of 74 is really working for, to spend in 1974. Much of the Juniors' credit should be given to Ms. Sue Moore, their understanding and patient class advisor.

TOP LEFT: Always cheerful! Mrs. Sue Moore, the juniors' advisor. TOP RIGHT: Kathy Cowell, chairman of the homecoming activities, and Mrs. Moore express great joy at a recent meeting. BOTTOM LEFT: Lynelle Paulick, Pam Searl, Sue Silva, Sharon Crawford, Muffin Fife, Kay Sluiter, Marta Anderson, and Karen Crawford are a few of the hard workers who planned homecoming. BOTTOM RIGHT: Mrs. Sue Moore, Big Al Marcetti, Mr. Ed Borovatz and Miss Gloria Bussanick rock-out at the Homecoming Dance Contest as puzzled students look on. Big Al and Sweet Susie dance their way to the Number One spotlight.

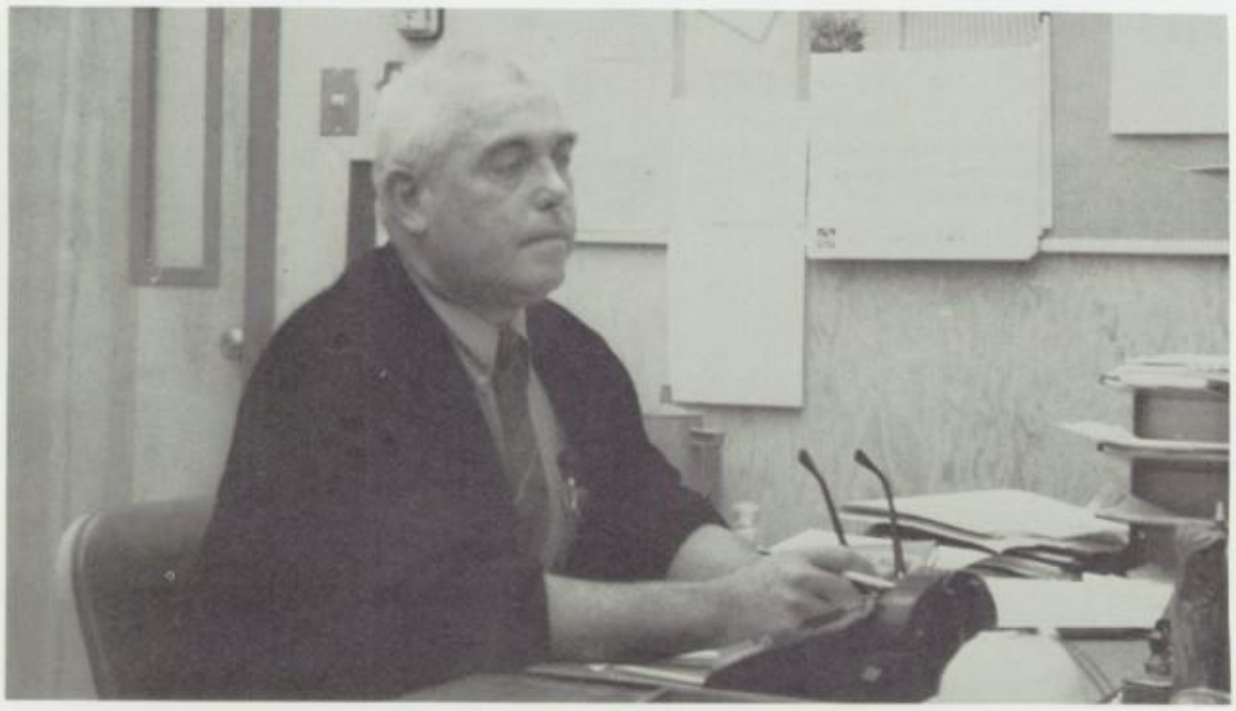
MIDDLE RIGHT: Mr. John Lappin, Head Counselor. BOTTOM LEFT: Mrs. Pat Kress, Work Experience Coordinator. BOTTOM MIDDLE: Mrs. Luella Lindstrom, Counseling Secretary. BOTTOM RIGHT: Mrs. Colleen Simms, Attendance Office, Mrs. Loretta Bennett, Attendance Office, Mrs. Majorie Peck, Assistant Principal's Secretary, Mrs. Alice Jessup, Principal's Secretary.

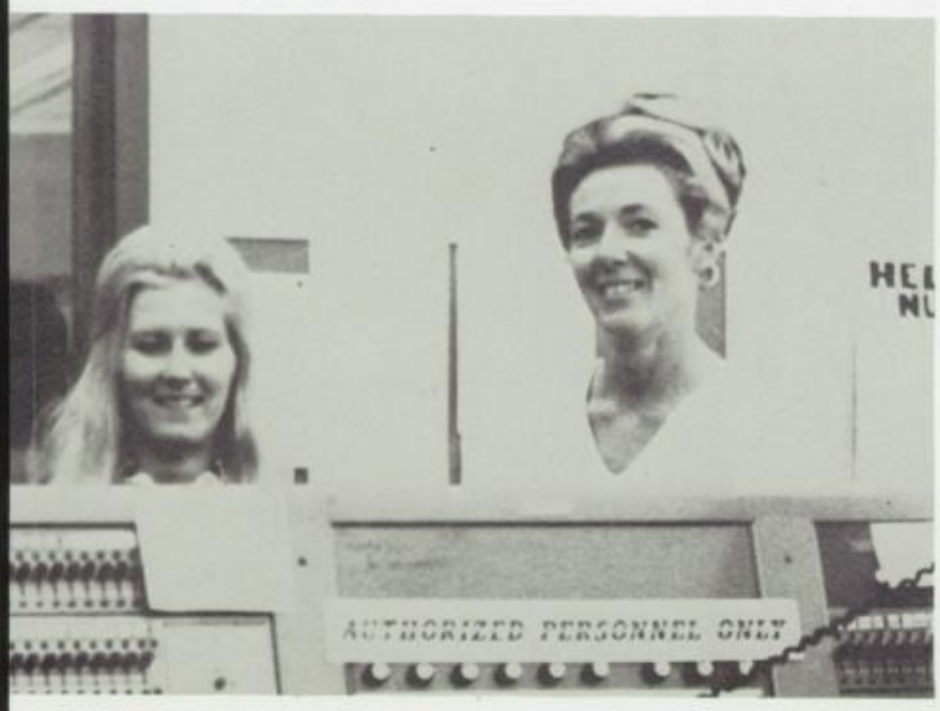
Goal Being to Take Time and Patience in Aiding Soquel Students



TOP: Mr. James Coulter, Principal. MIDDLE LEFT: Mr. Emmett Thompson, Assistant Principal. MIDDLE RIGHT: Mrs. Kay Harry, Counselor BOTTOM: Mr. James Spano, Assistant Principal.

This year the Soquel administrators have taken extra time and patience to create a better understanding between themselves and the students. Mr. Coulter, principal, as always, took the utmost interest in student activities.

Our counselors, the link between administration and students, are dedicated to understanding each student's individual needs. Due to the ever increasing population Soquel High has found it necessary to add, Miss Waite, a counselor, to the staff. We are glad to welcome Miss Waite to Soquel.



Special Curriculum Takes the Greatest Interest in Student Needs

Several varied courses such as Remedial Physical Education and Math Improvement are offered at Soquel High to give special attention to students who need help in certain subjects.

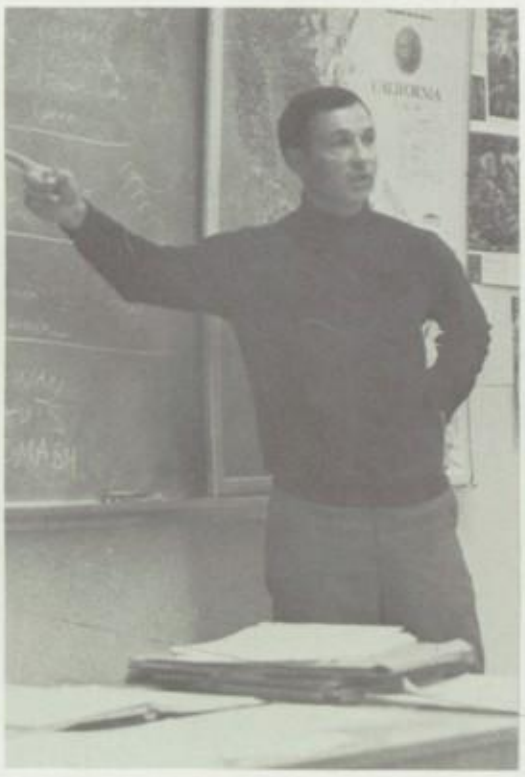
Teaching U.S. History and English, a combined course offered by the Special Department is Mrs. Lillian Smith.

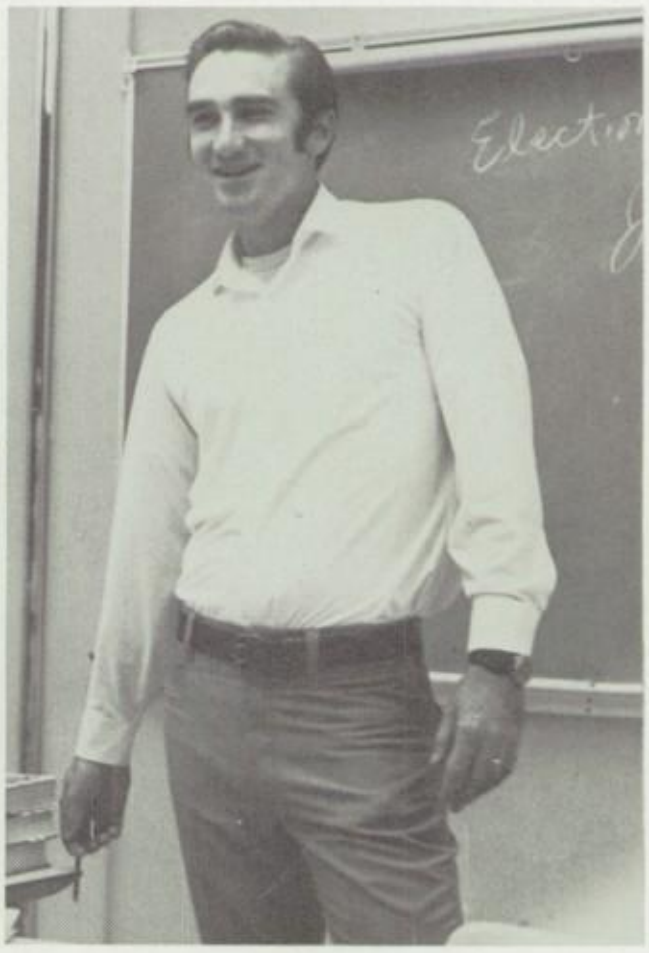
TOP LEFT: Mr. Ken Peterson, Practical Math, Math Improvement, Remedial Physical Education. TOP RIGHT: Miss Lois Chambless, and Mrs. Lillian Smith, Team Teaching, U.S. History and English. MIDDLE RIGHT: Mr. Al Wright, Sociology, American Government, English, Physical Geography. BOTTOM LEFT: Mr. Ken Thomas, U.S. History. BOTTOM RIGHT: Mrs. Frances Takala, American Government, U.S. History, Psychology.

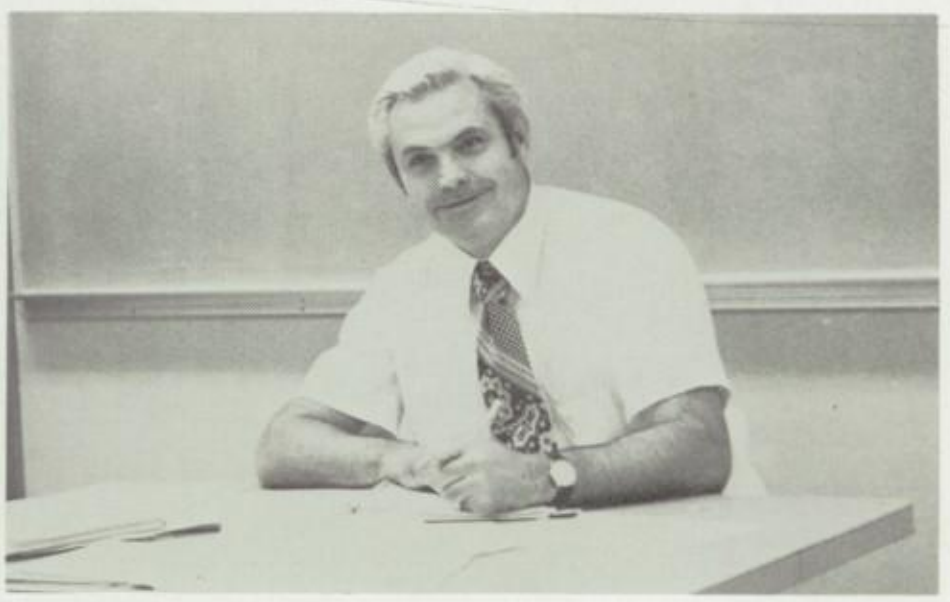
Social Science Creates Interest in World & Community Affairs

Opening the eyes of the students to important world affairs, both in the past and the present, is the main purpose of Soquel's Social Science Department. The teachers hope to make the students become more involved in government so when they go out into the world they will have the knowledge needed to run our country.

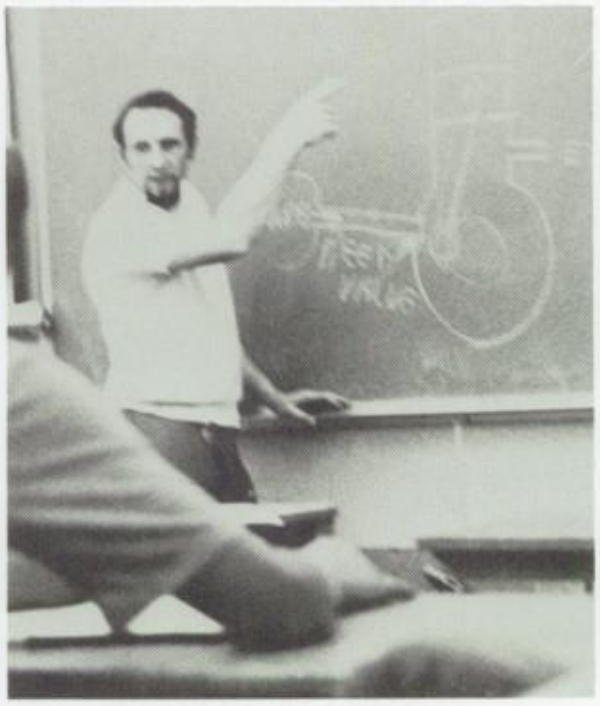
TOP LEFT: Mr. Kaj Blomquist, Western Civilization, Religions of Man, English. TOP RIGHT: Mr. George Smith, Department Head, American Government, International Relations, Bill of Rights, World History. MIDDLE RIGHT: Mr. Jim Dietz, U.S. History. BOTTOM LEFT: Mrs. Lillian Smith, U.S. History, English. BOTTOM RIGHT: Mr. Jim Simpson, Western Civilization, Civics, American Government.







Industrial Arts and Science Broaden Minds and Skills of Soquel



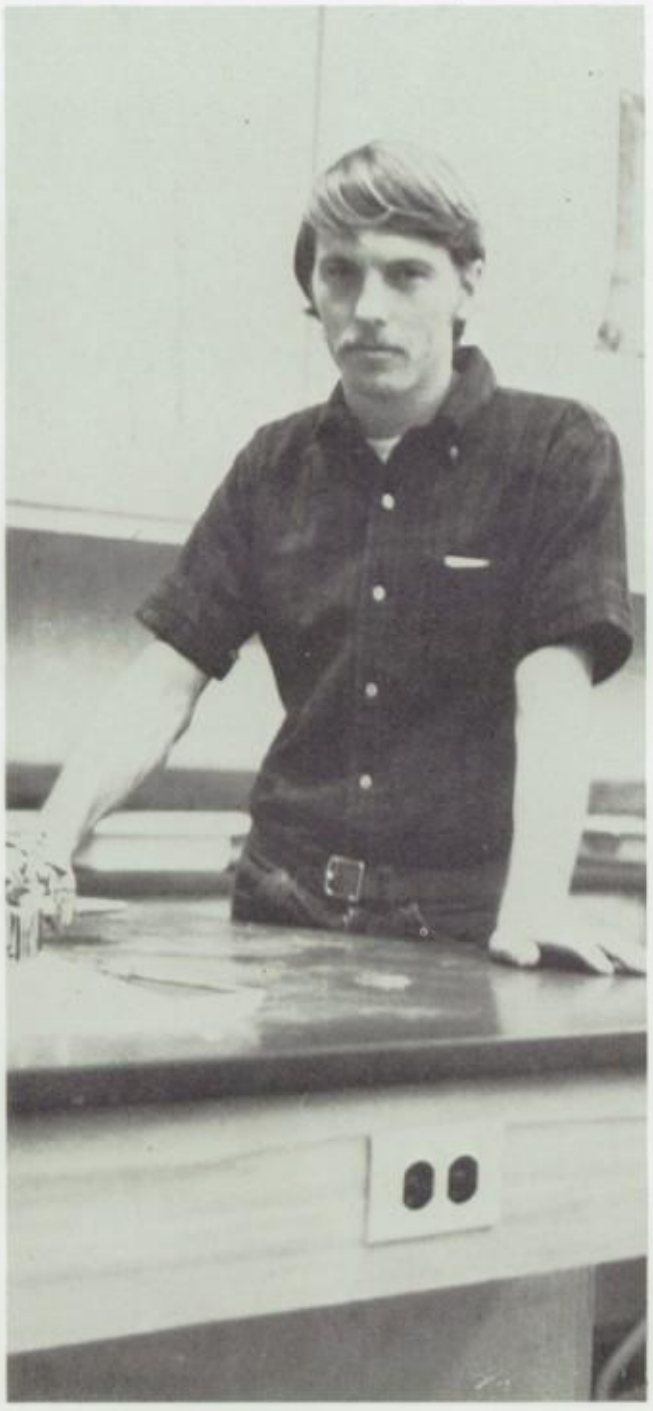
Helping students to learn those skills needed for jobs in the outside world is the main purpose in the Soquel High Industrial Arts Department. Classes in drafting, woodshop, auto shop, and power mechanics give students the background needed in undertaking jobs such as carpentering and mechanics.

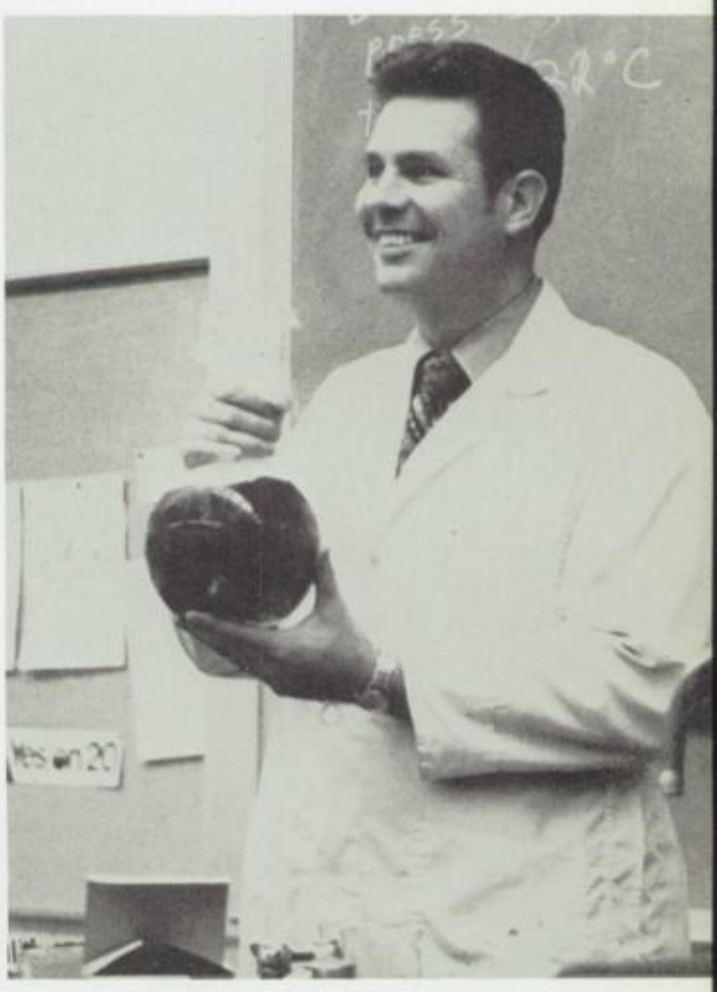
TOP LEFT: Mr. Doug Severin, Drafting. TOP RIGHT: Mr. Robert Gassaway, Woodshop. MIDDLE LEFT: Mr. William Bruce, Construction Technology, Auto Shop. MIDDLE: Mr. Larry Johnson, Power Mechanics. MIDDLE RIGHT: Mr. Richard Stump, Department Head, Auto Shop. BOTTOM: Earl Latz is pictured here completely absorbed in his work.

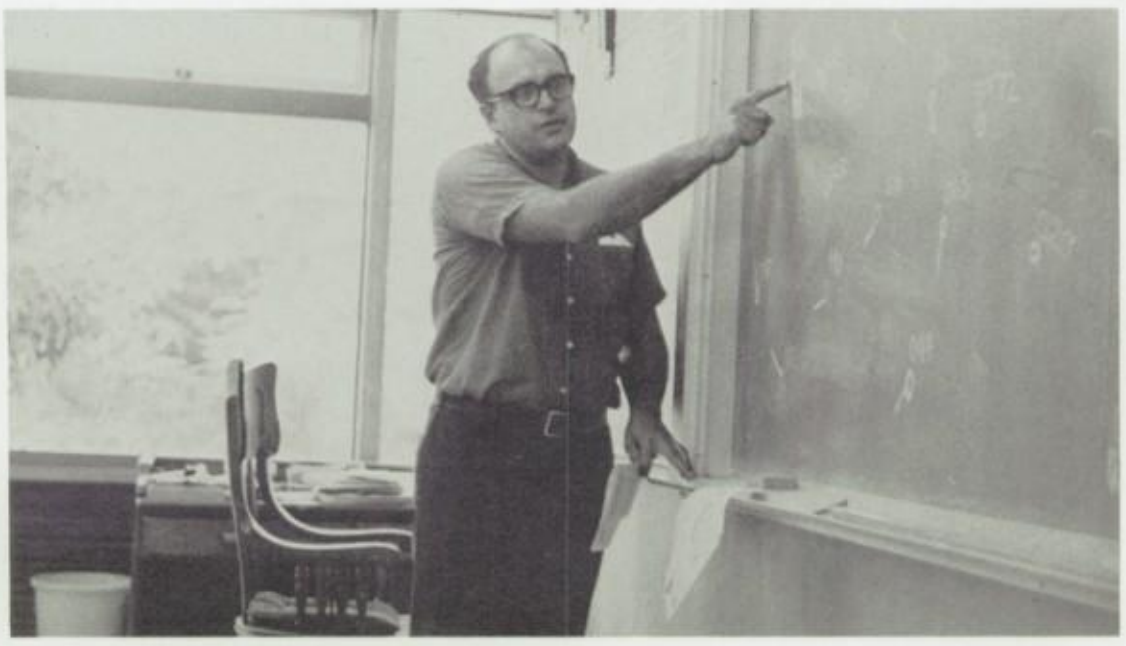
Students to Accommodate the Vast Needs of Our Next Generation

The Science Department at Soquel High offers various interesting courses, ranging from Earth Science to Electronics. The teachers work to promote the interests of the students in the ever growing field of Science, with lectures and other mind-broadening projects.

TOP LEFT: Mr. Ed Borovatz, Biology. TOP RIGHT: Mr. Matt Zemny, Vocational Agriculture. MIDDLE LEFT: Mr. John Shower, Biology. MIDDLE: Mr. Eugene Harlamoff, Department Head, Electronics. MIDDLE RIGHT: Mr. Gary Dick, Chemistry. BOTTOM: Mr. William Miller, Earth Science.



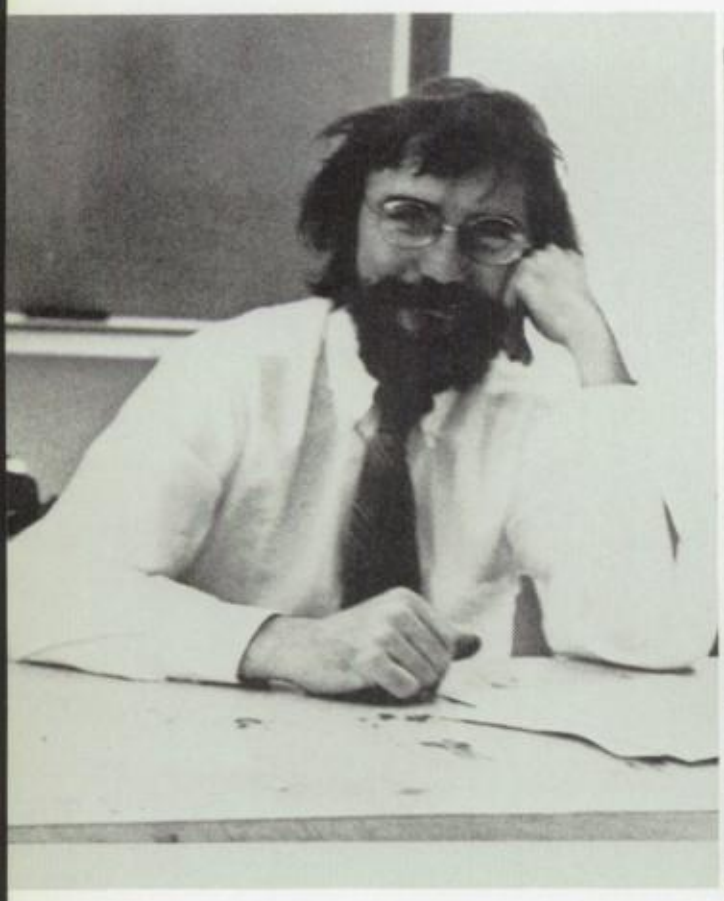




Art, Music, Drama and Business Education Demand Diligent Efforts

The drama classes taught by Miss Helen Oretski offer a wonderful opportunity for Broadway hopefuls. Mrs. Diana Pleasant, our new music teacher, and Mr. Leetz, band director, bring harmony to Soquel.

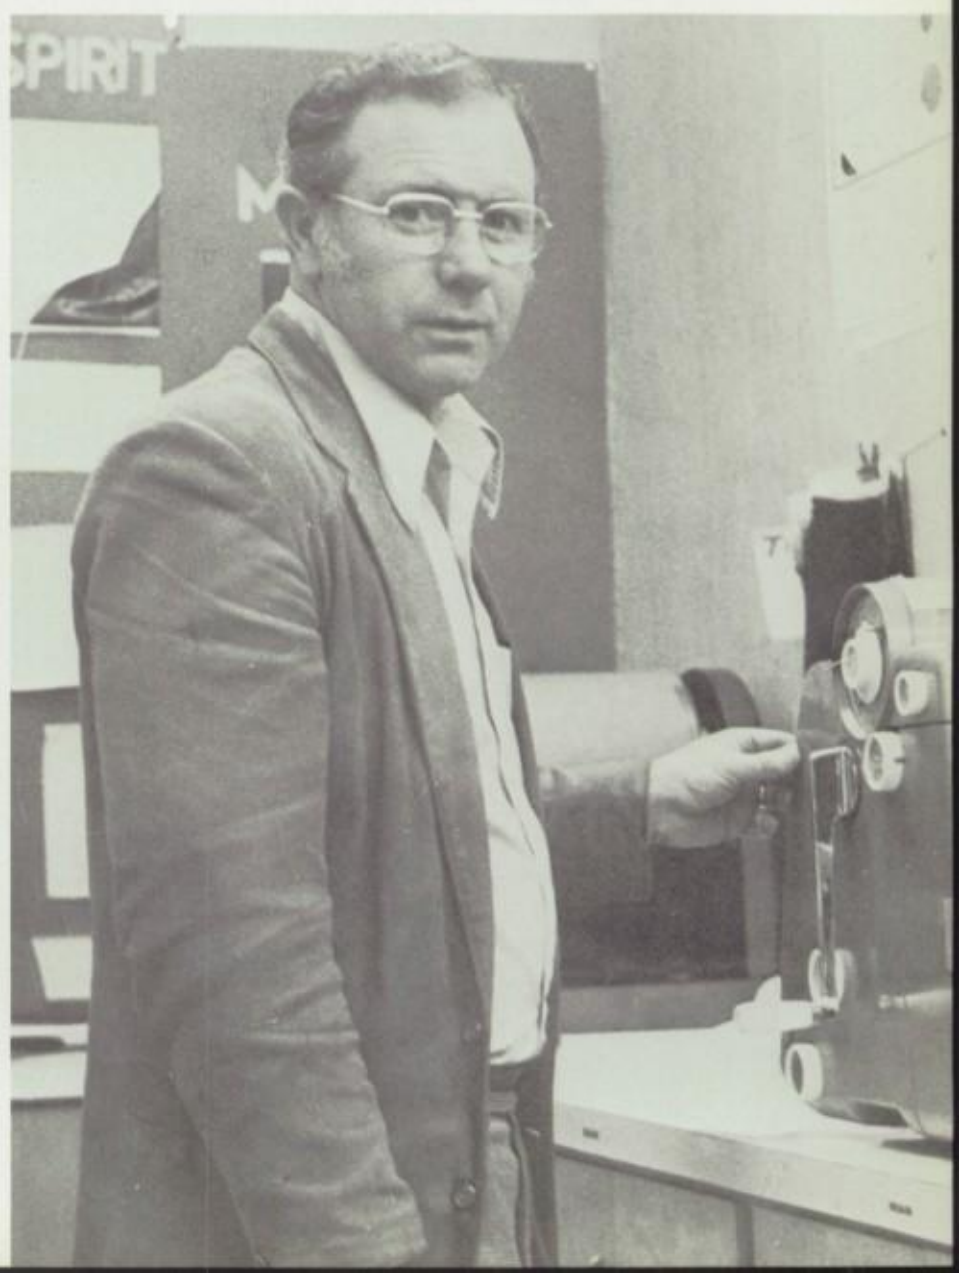
TOP: Mrs. Helen Osborne, Department Head, Art, Ceramics, Jewelry Design. MIDDLE LEFT: Mrs. Diana Pleasant, Chorus, A'Cappella, Folk Exploration. MIDDLE RIGHT: Mr. Lester Henry, Ceramics, Introduction to Art. BOTTOM LEFT: Mr. Charles Wolters, Introduction to Art, Painting, Design. BOTTOM MIDDLE: Mrs. Sharlene Mandella, Art, Home Economics. BOTTOM RIGHT: Miss Helen Oretski, Theatre Arts, Play Production.



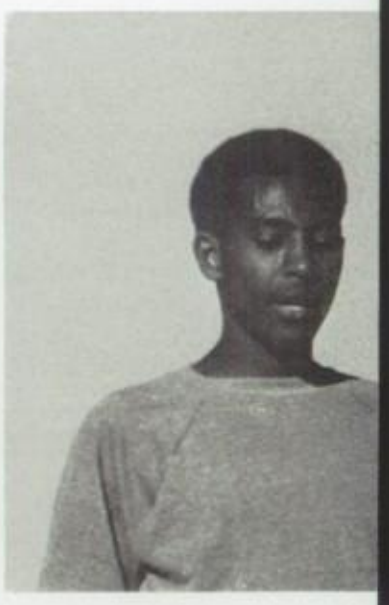
On Students' Part and Teachers' in Order for all to Benefit

Business Ed. offers a chance to learn skills to succeed in the business world. The Art Department carries out the idea that art is visual communication.

TOP LEFT: Donna Chirco spots the photographer while in Typing I. TOP RIGHT: Mrs. Peggy Haug, Stenography, Typing. MIDDLE LEFT: Mr. Ken Grover, Department Head, School Services, General Business, Typing, Bookeeping. MIDDLE RIGHT: Miss Marion Broughton, Bookeeping, Business Machines, Typing. BOTTOM LEFT: Mr. David Leetz, Orchestra, Band. BOTTOM RIGHT: Mr. Mel Fishburn, Business Math, Typing, Consumer Economics.



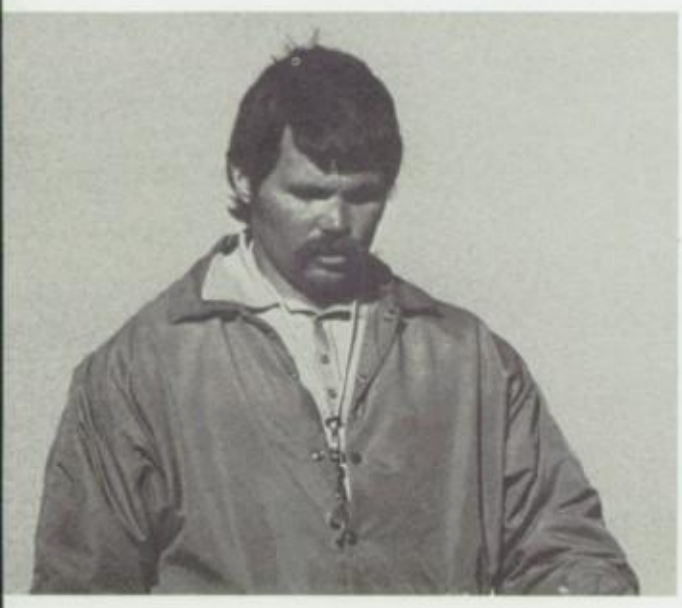
P.E. Instructors Offer Fun, Exciting Sports Activities for all;



The P.E. coaches of Soquel work enthusiastically with the students to develop their interest, skill and coordination in the many different sports activities offered throughout the year.

TOP LEFT: Mr. Ron Walters, Physical Education. TOP MIDDLE: Mr. Tom Curtiss, Physical Education. TOP RIGHT: Mr. Jack Knight, Physical Education; standing with Coach Knight is Mulugetta Wondmu, Foreign Exchange student from Ethiopia. MIDDLE LEFT: Mrs. Marcie Dilfer, Physical Education. MIDDLE RIGHT: Mrs. Marilyn Walters, Physical Education. BOTTOM: Mr. Dewey Tompkins, Physical Education.

Other Staff Members Enjoy Being a Part of Our Campus Life



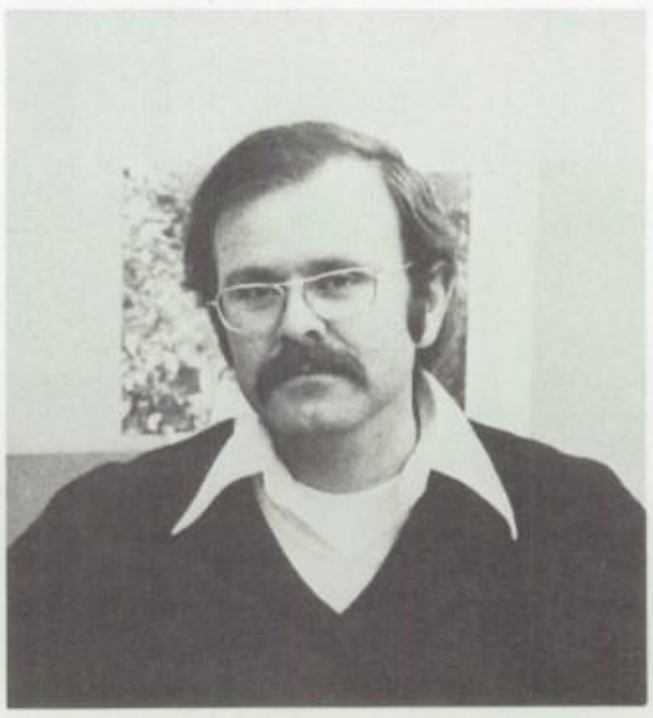
The various support services of Soquel High help to run the campus smoothly and efficiently. Without these valuable people our school could not function properly.

TOP: Mrs. Kathy Sanderson, Finance office. MIDDLE LEFT: Mrs. Carol Townsend, Physical Education. MIDDLE RIGHT: Mrs. Ursula Grunwald, librarian, and Mrs. Wina Skopp, assistant. BOTTOM LEFT: Mrs. Patricia Barnthouse, Nurse. BOTTOM RIGHT: Mrs. Marietta Finnegan, Textbooks.

Language Arts Opens the Door to Opportunity for the Students and

The various speech programs backed by Soquel's speech and debate teachers, Mr. Robert Korn and Mr. John Wasserburger, have won many awards throughout California and Nevada.

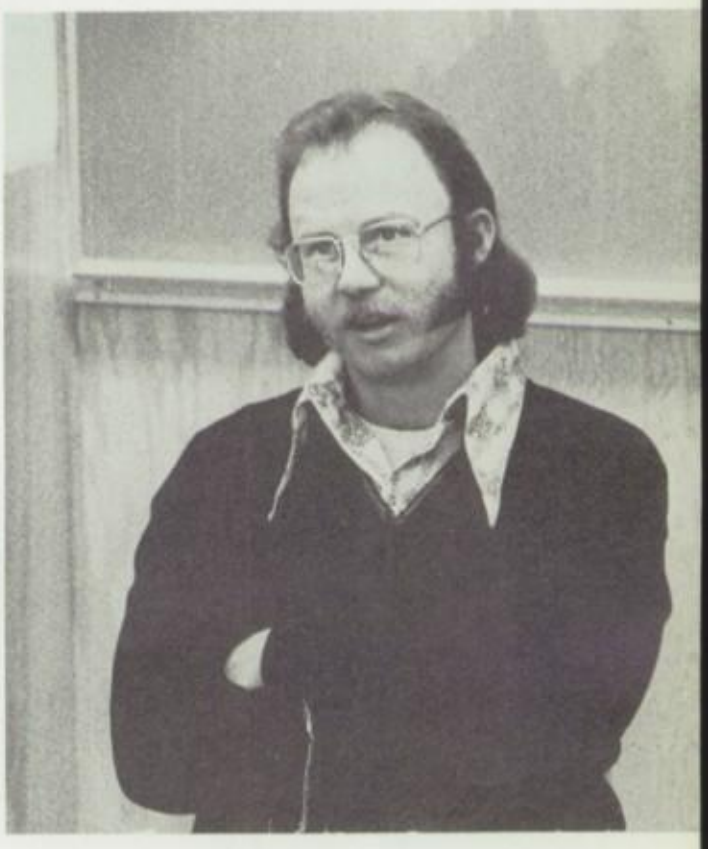
TOP LEFT: Miss Gloria Bussanick, English, Typing. TOP RIGHT: Mr. Robert Korn, English, Speech. MIDDLE LEFT: Mrs. Maydene Burtt, Reading. MIDDLE RIGHT: Mr. Kaj Blomquist, English. BOTTOM LEFT: Mrs. Gloria Alumbaugh, English, Poetry Workshop, Creative Writing. BOTTOM MIDDLE: Mr. Al Marcetti, Department Head, Journalism, Publications, Mass Media, English. BOTTOM RIGHT: Miss Nellanne Martin, English, English Electives.



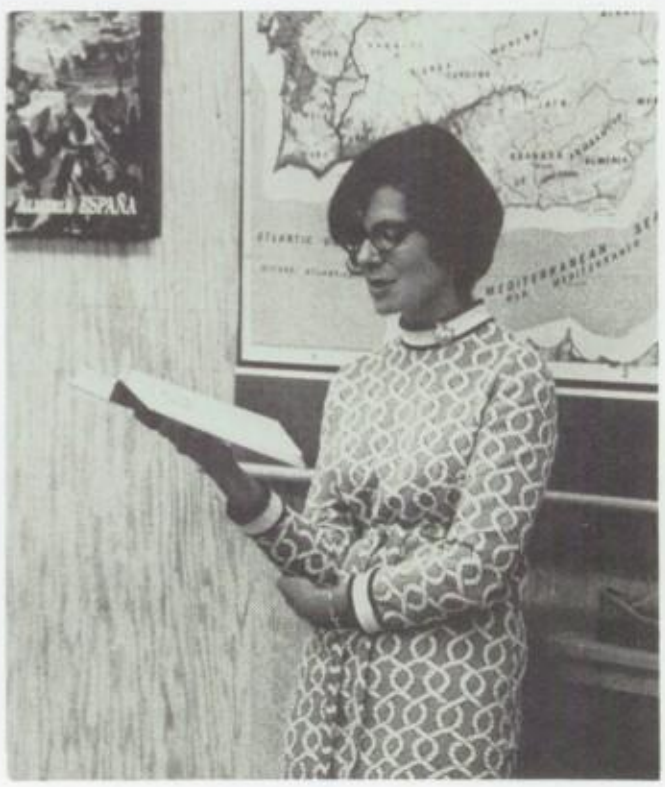
Teachers to Learn to Understand One Another and Live Together

Here at Soquel there are many creative, inspiring and interesting English courses. The newest of these is Mass Media instructed by Mr. Marcetti and Miss Wade.

TOP: Mrs. Sue Moore, English, English Electives. MIDDLE LEFT: Mrs. Ruth Warren, English. MIDDLE: Miss Lois Chambless, English. MIDDLE RIGHT: Mr. Steve Wiesinger, English. BOTTOM LEFT: Miss Carolyn Wade, English. BOTTOM RIGHT: Mr. John Wasserburger, Speech, English.

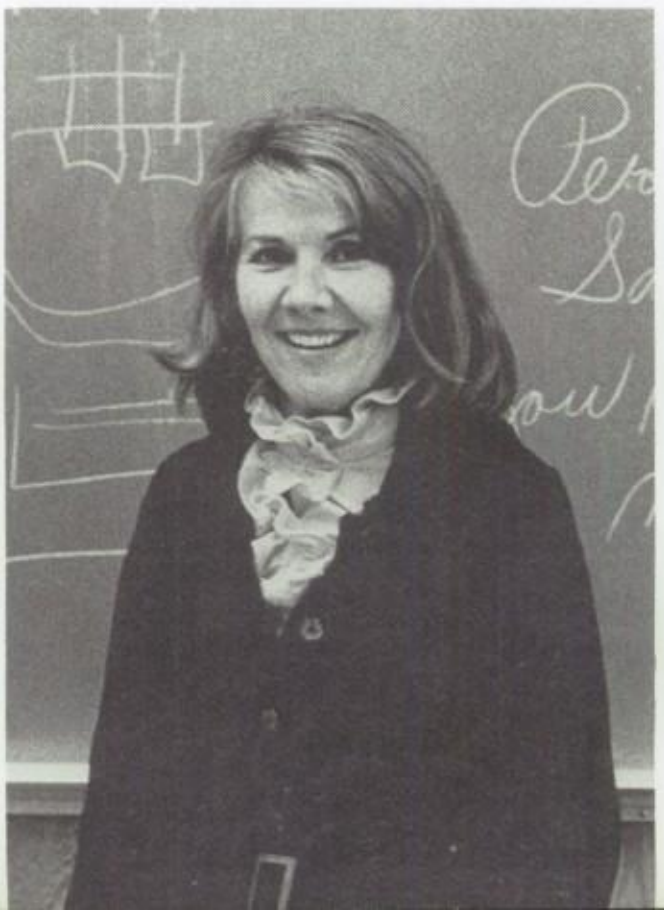


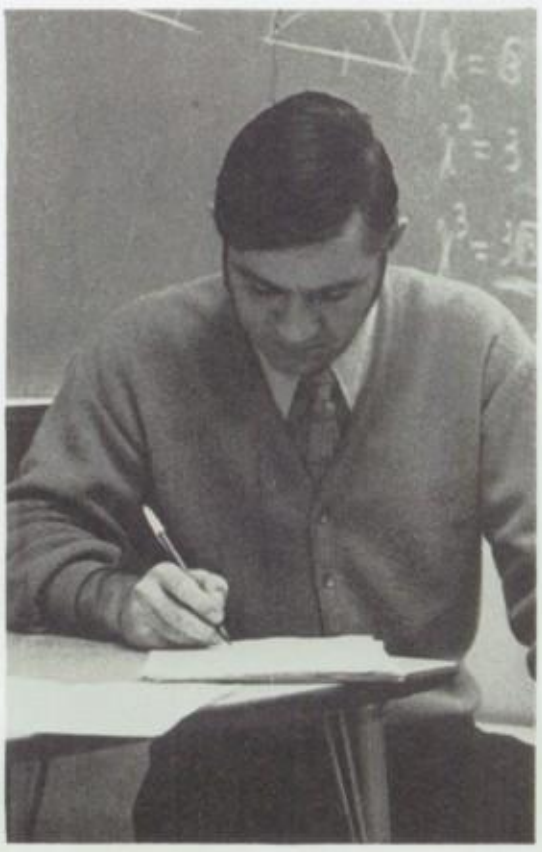
Home Economics Provides Experiences for Creativity While Foreign



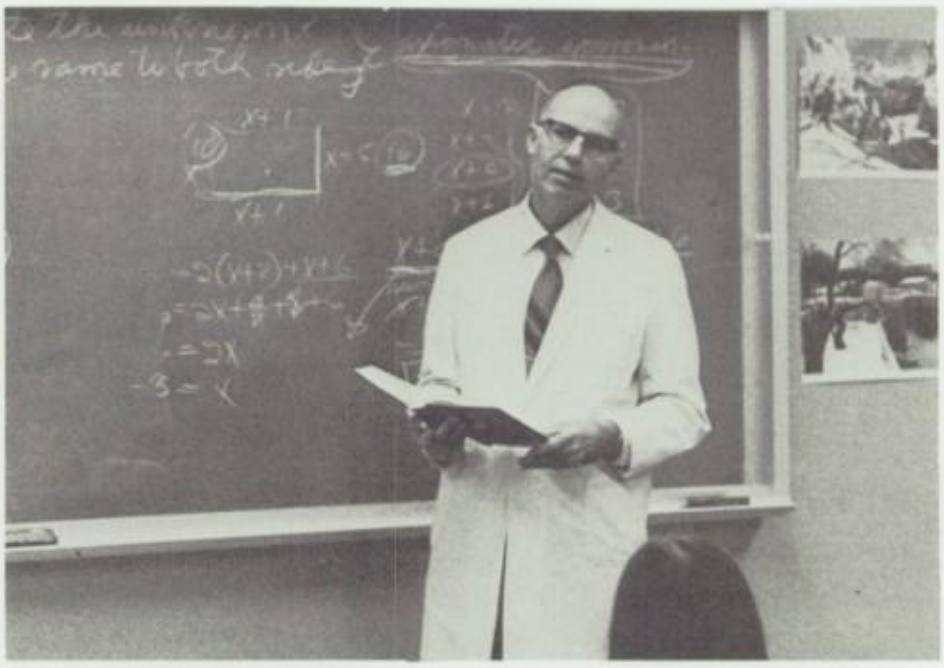
The languages taught at Soquel are Spanish, German, and French. In each of these courses the students are taught reading and writing skills with emphasis placed on the development of understanding and speaking the language.

TOP LEFT: Mr. Donald Hilbert, Department Head, German. TOP MIDDLE: Mr. Ron Denton, Spanish. TOP RIGHT: Mrs. Judith Kittoe, Homemaking, Advanced Foods. MIDDLE LEFT: Mr. Thomas Wescoat, French, English. MIDDLE: Miss Marilynn Foree, Spanish, Typing. MIDDLE RIGHT: Mrs. Marilyn Molyneux, Homemaking, Clothing. BOTTOM LEFT: Mrs. Mary Aileen Wolfe, Department Head, Homemaking, Family and Community Living, Interior Design. BOTTOM RIGHT: Mr. Bob Twaddle, Department Head, Algebra, Geometry.





Language and Math Lend Themselves to More Mental Expansion



In the opinion of the majority of Soquel students Math seems to be one of the more difficult subjects, so the teachers of this department feel it is a challenge to present it in a simplified manner.

Home Economics is one of Sopuel's most practical subjects. It helps the future homemakers of America prepare for the future through achievements in child care, nutrition, grooming, sewing, room decoration and cooking.

TOP RIGHT: Mr. Ed Fisher, Practical Math, Algebra. MIDDLE: Mrs. Jean Luttrell, Algebra, Geometry. BOTTOM LEFT: Mr. George Mooers, Geometry, Algebra. BOTTOM MIDDLE: Mr. Wes Musitelli, Algebra. ABOVE: Mr. Myron Viner, Math Improvement.

Spirit Week '72 Helps Us Make Way for Tomorrow's Memories Today

Spirit Week (Oct. 16-21) started with a boom! Monday Juniors Kathy Cowell and Dave Ponza won the human wheelbarrow race. Tuesday was quite a dirty affair for those who participated in the mud fight. The sophomores showed the most backwardness and wild hats for dress up day. On Thursday our seven lovely homecoming nominees were auctioned off and earned a grand total of 55¢. The Homecoming Rally was full of laughter and spirit as our football team captains tried to whistle with a mouth full of soda crackers to the wild dance contest between some of our fast-moving faculty.

TOP LEFT: Pam Searl slams a pie in John Shower's face on the Spirit Ladder. TOP MIDDLE: Sophomore Hugh Thorne beat out Junior Rick Spidell and Senior Terry Graap in the coke guzzling competition. TOP RIGHT: Dave Beccaria tries to whistle! BOTTOM LEFT: Shirtless Mark Young (sixth person to the right) and his filthy unidentifiable friends in a mudhole. BOTTOM MIDDLE: Dress up day victors; top row: Jan Kayson, Val Barton, Janet Danna, Adrienne Frank, Melodie Silva, Lisa Crews. Bottom row: Susan Hussey, Becky Mooney, Robin Reedy, Karen Pharris. BOTTOM RIGHT: Deanna Del Bianco watches as football captains (J.V.) John Rego, Mike Stewart, (Varsity) Scott Thorne and Dave Beccaria compete in the cracker competition. The champ, Rego!

CENTER LEFT: Dana and Mary look on with pleasant thoughts of spirit. CENTER RIGHT: Anne and Gary seem to be pleased about the whole thing. LEFT: Rohnda awaits anxiously for the BIG kiss from Dave Beccaria and Scott Thorne.

When the Queen and her court were presented to the large and interested crowd, Rohnda was presented with an autographed football from the varsity team, and a kiss from the two captains, Scott Thorne and Dave Beccaria.

The attendants were Barbara King, escorted by Ed Morrison, Mary McCullough escorted by Dana Saccullo, Anne Seapy, escorted by Gary Furlong, and Shelly Post escorted by Don Barret. Second runner up was Devon Pittenger, escorted by John Speights, first runner up was Virginia Norton, escorted by Ron Ingram, and last, the Queen, Rohnda Crook, escorted by Rusty Long.

Soquel's Victory over Aptos made our Homecoming the best ever for the 1973 year.

Soquel Junior Varsity Cheerleaders Come On Strong for School Spirit;

Soquel Varsity Cheerleaders Battle for the Support of the Crowds

Beginning the year off right, Soquel Varsity Cheerleaders took Grand Champion award at cheerleading camp at Pacific College, and also took the trophy at Boardwalk competition. They also took first place in competition at Alisal. Then going on they won second place in the annual jamboree. Having boosted up school spirit. They're always at the games yelling their hearts out for a team we can be proud of.

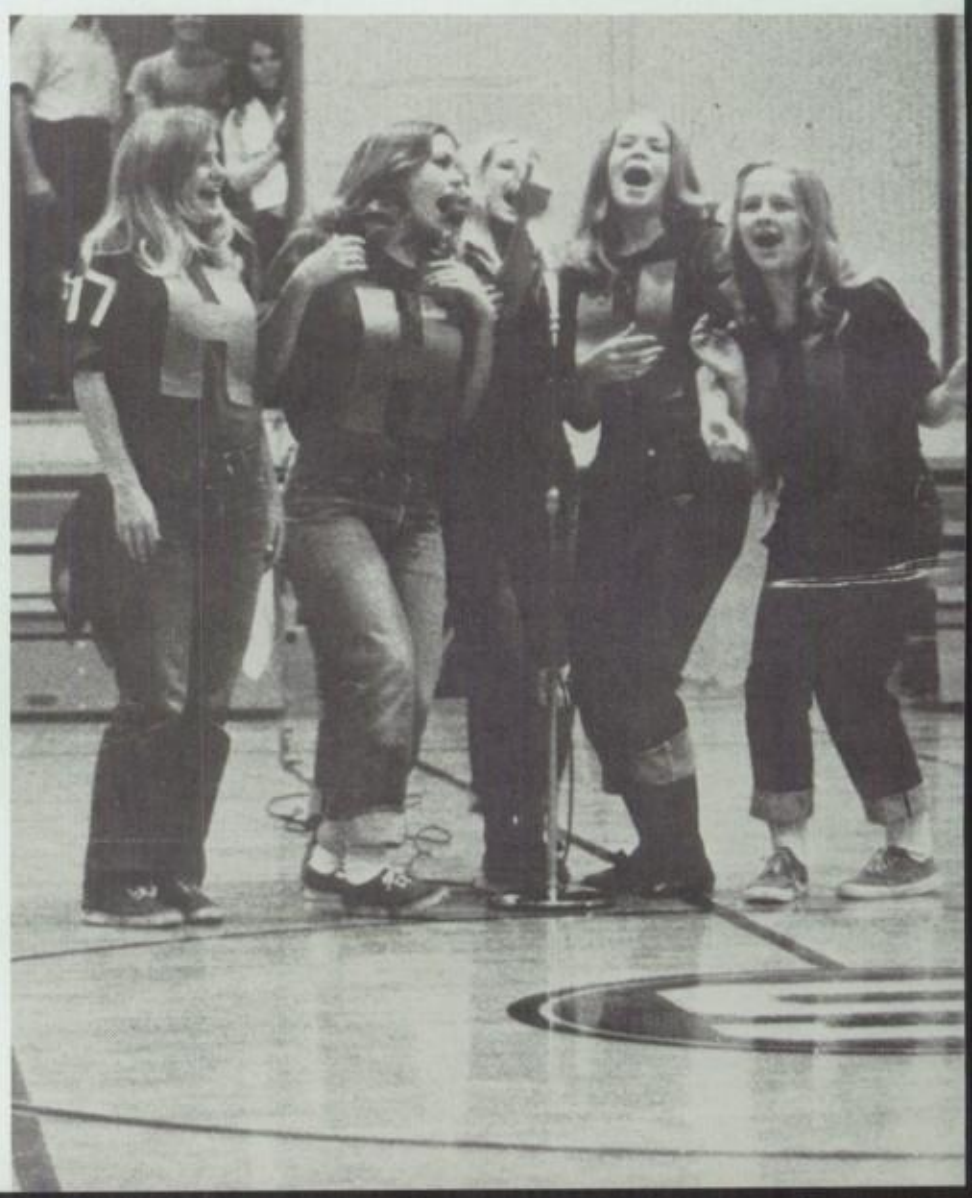
Soquel's Song Girls Add Smiles to All Students With Their Spirit;

This year's song girls helped in promoting fun and spirit in excitement filled football and basketball seasons. While the devoted and hard-working song girls were attending camp for five days at U.C. Santa Cruz they won the Spirit Stick, the highest honor awarded for their fine show of dances and routines. During the year the song girls worked together by forming new exciting routines. While at rallies, these six talented girls entertained an enthusiastic crowd of spirited Freshmen, Sophomores, Juniors and Seniors with their exciting dance routines. Throughout the football season, these talented song girls made sure there was never a dull moment, with an invigorating performance of one of their many routines.

For each new season, football and basketball, the majorettes carefully selected new uniforms in Soquel's traditional blue and gold school colors. With their awarding performance of baton twirlers the three talented girls helped to arouse the spirit of the crowd during half time. While at U. C. Santa Cruz they won twenty-five ribbons and seven trophies to add to the many already collected by them and other baton twirlers for Soquel High.

TOP RIGHT: Left to right; Terri Dennis, Anne Seapy, Devon Pittenger, Lori Leach, Kerry Morgenson, and Barbara Wood. BOTTOM LEFT: Varsity Song girls about to bury the Pirates. BOTTOM RIGHT: These five beauties in the middle of a blessing audience with their stunning voices.



Spirit Leaders Show Enthusiasm During Games and Rallies All Year

Spellbound with spitit, Soquel's seven lettergirls and two mascots helped pep up the excitement and spirit all through the school year. The letters spelling Soquel were displayed on the front of their vivid blue and gold sweaters, while the alternate girl had a Knight on hers.

Helping even more in promoting school spirit were the two mascots, also in the school colors of blue and gold. Both of these charming and talented mascots were a great help in leading cheers along with the cheerleaders, especially during the busy halftimes.

TOP: Left to right; Lettergirls, Jo Caddow, Meg Gillane, Charlene Nakamure, Diane Bilcich, Lisa Crews, Nancy Fain, and Colleen Alley. BOTTOM LEFT: Twirlers, Nancy Cortz, Janice Cortez and Jane Casalengo. BOTTOM RIGHT: Mascots are Hilary Gold and Kathy Haley.

Rally Programs Designed to Lift Soquel's Unpredictable Spirit;

The 5th annual Powder Puff Jamboree, held on November 22 at Cabrillo College was a fun and exciting night for all. The Soquel Seniors took third place, losing to both Santa Cruz and Harbor, while the Junior team took second place, losing a heartbreaking game to Santa Cruz and beating Harbor by a large margin.

Powder puff is sponsored by American Field Service, each person involved in A.F.S. gives their time and money to make this annual event a success for both players, families from all schools involved.

Both teams of powder puffers proved to be powerful bruisers, but neither team could get it together. Soquel Junior gals, being the knee scrapping, elbow jabbing tribe were said to be the roughest and toughest especially when one Harbor junior got her two front teeth knocked out.

Pom-pon boys and cheerleaders provided enthusiastic laughs throughout the evening and the dance afterward was a perfect end to a delightful night.

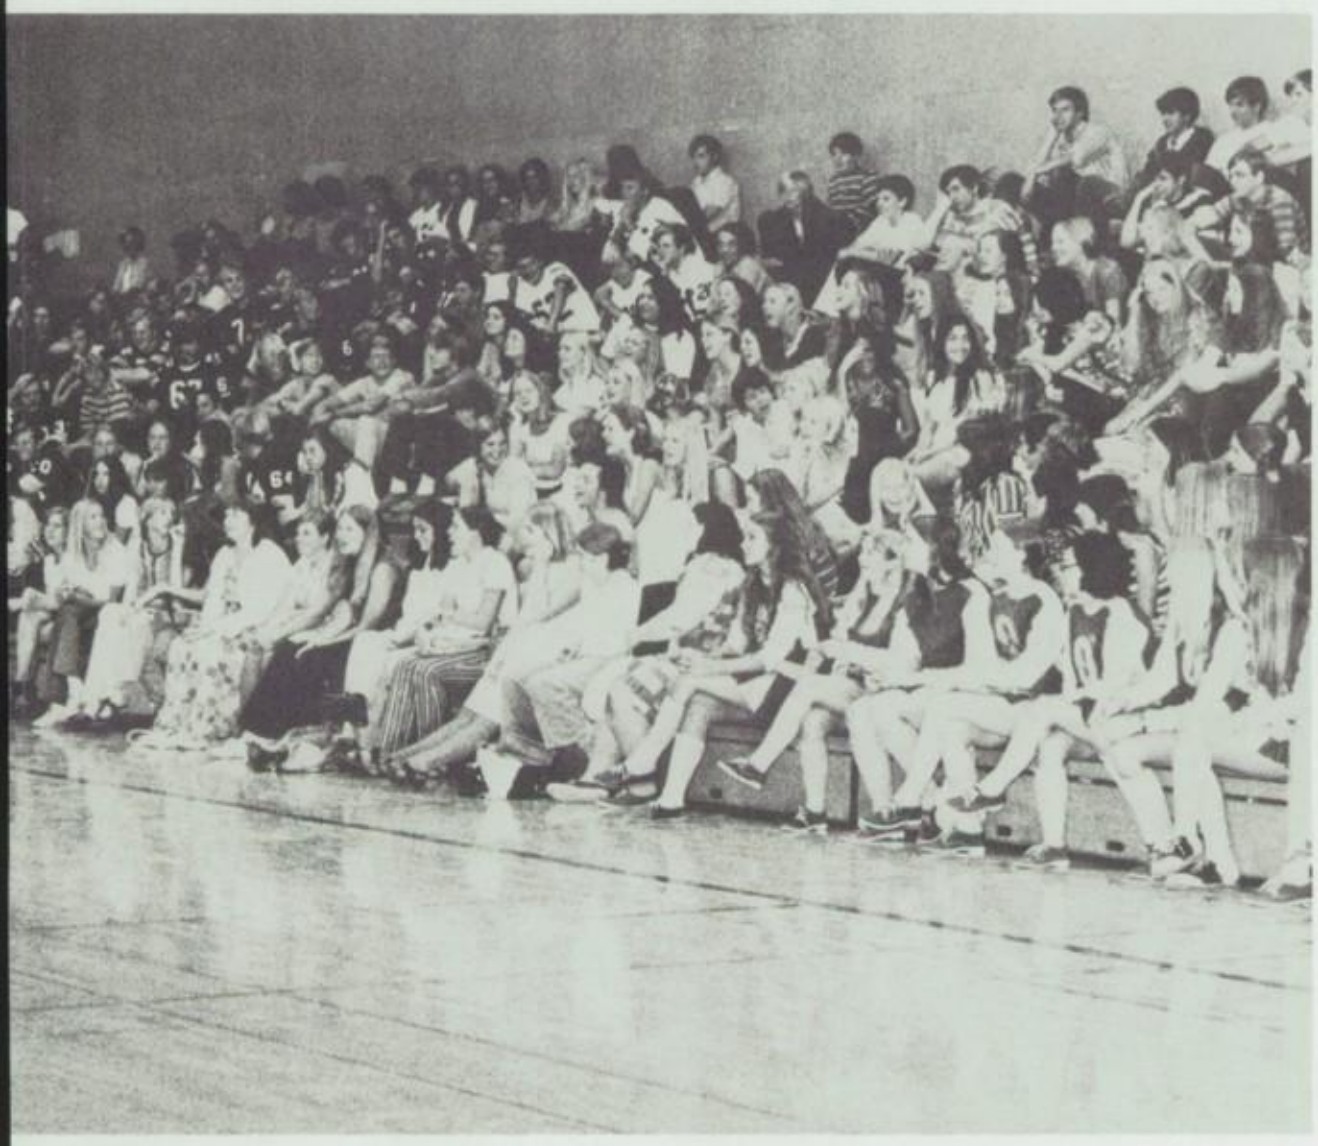
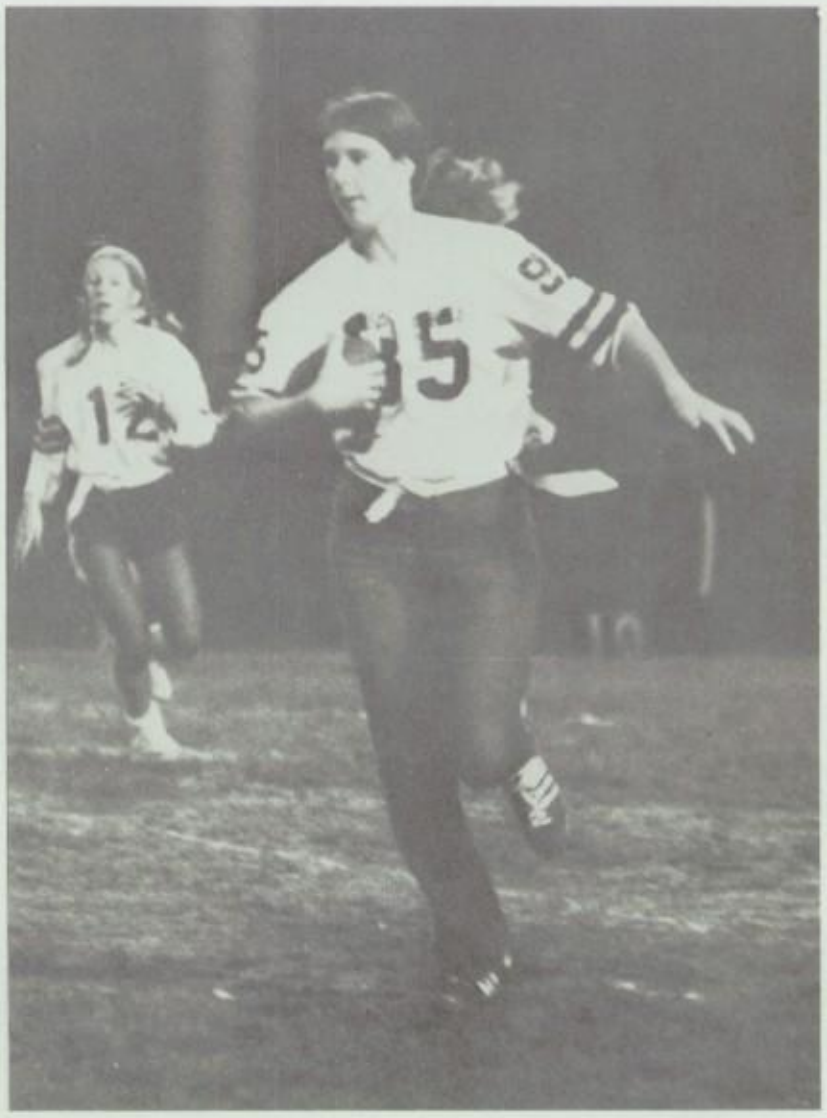
Seniors Third, Juniors Second in 5th Annual Powder-Puff Jamboree



Another year has come to an end at Soquel High and that brings an end to the various types of rallies held each year. Earlier in the year there were quite a few rallies to generate spirit for the football games, but the spirit died down as the football season came to a close. During basketball season there were virtually no rallies at all. Although there were many rallies planned the only one that really made it off the ground was the crowning of the Basketball Sweetheart.

Most of the rallies that were held during football season were pretty good, at least most students enjoyed getting out of class thirty minutes sooner than usual even if they didn't go to the rallies. The rallies were supposed to help get the many spirited students up for the game that was usually played later that night. The cheerleaders tried their best to waken up the sleeping spirit, but sometimes they were not always successful.

FAR LEFT: "We are Harbor's football team," exclaimed this lively group of Soquel's Pom-pon Girls; Barbara Wood, Devon Pittenger, Teri Dennis, Anne Seapy, and Lori Leach.
LEFT: Varsity Cheerleaders try their very best to get this group of Soquel students up for that nights' game.



Lori Was All Smiles After Being Announced Winter Fantasy Queen;

The traditional Winter Fantasy was held at Cabrillo College Student Center. This year the theme was "An Old Fashioned Melody." The Soquel High Speech and Debate Club decided on this theme and also made other preparations for the annual event.

The highlight of the night was when Lori Leach was crowned Queen. Her escort was Joe Frye. Runners up were Lisa Baruch and Linda Manzano.

The atmosphere was warm and friendly. To touch it off, music was furnished by "Typewriter."

Linda and Sherry Wait Breathlessly For That Very Special Moment

This year's exciting season in basketball was finally completed with the crowning of our Basketball Sweetheart.

There was the usual rally in the afternoon to help people get a little more spirited, which ended with the announcement that the 1972-73 Basketball Sweetheart was Anne Capron, escorted by Tim Estes.

TOP: Mr. Shower contemplates the advantages of a strange box at the sweetheart rally. Horticulture Class At Soquel High Promises a Flowering Future;

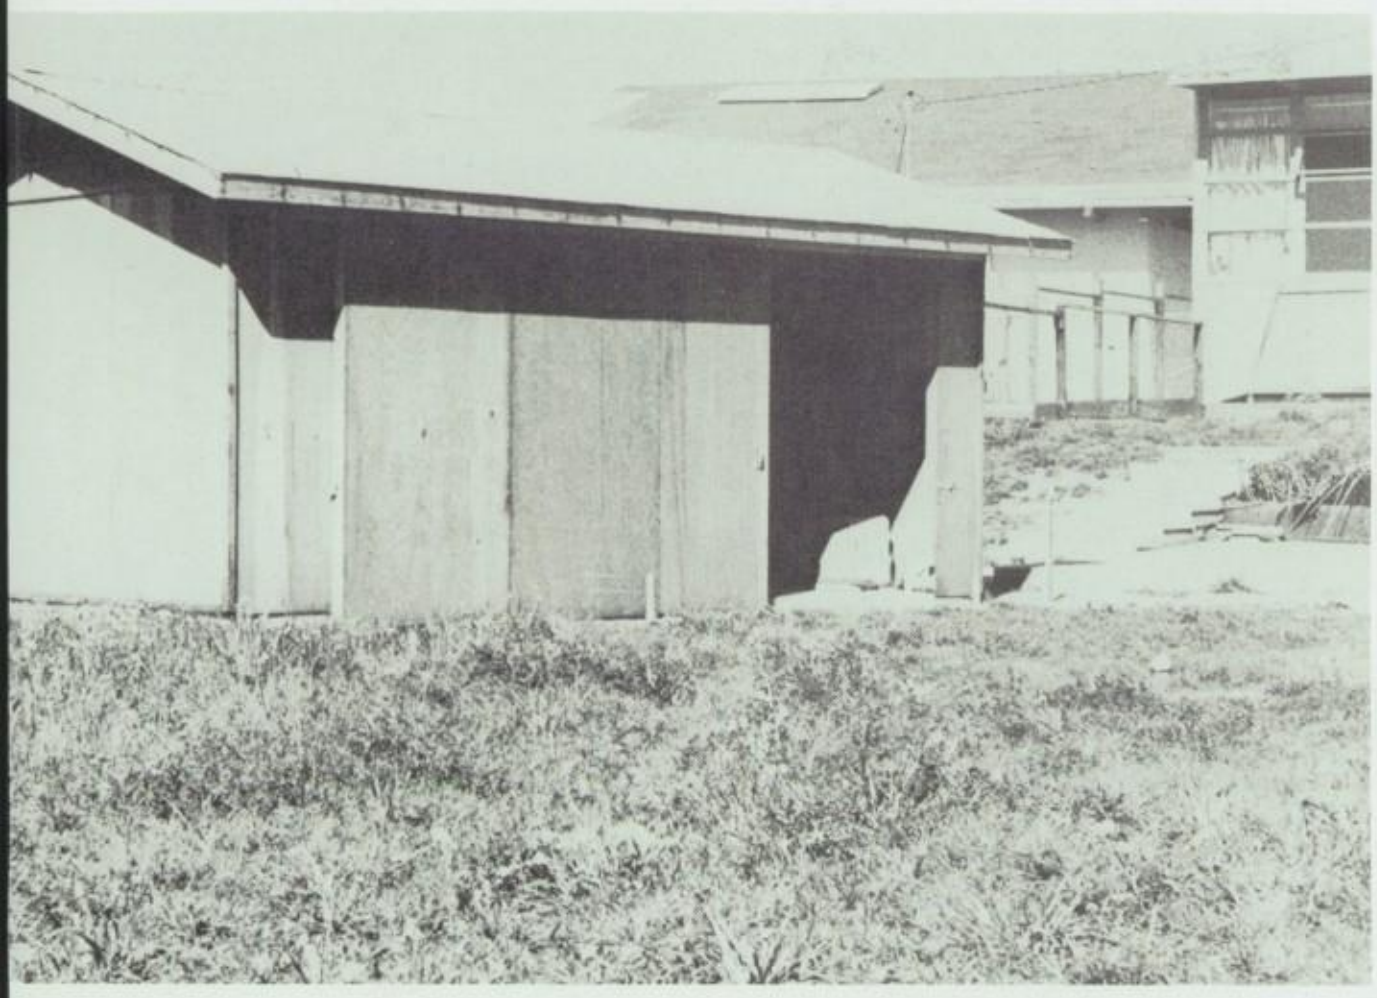
A new class at Soquel High, Horticulture - Agriculture, proves to be one of the most interesting on campus.

Despite the fact that we had freezing cold spells and so much rain that many young plants actually drowned, the plants under the care of many Soquel High students did much better than most plants in the nurseries around Santa Cruz.

Many of the plants used in this class were donated by local nurseries, one even donated two hundred rose bushes which now outline the garden grounds along with the fence which was built entirely by the horticulture class. This was only one of the many big projects the horticulture class took up.

TOP: Chip Pino and fellow classmates take advantage of an unexpected sunny day to prepare the horticulture garden for future planting.
RIGHT: Mr. Zemney explains technique of working the rotatiller to France Borka.

Spring's Late Blooming Due to an Extremely Cold and Rainy Year



This year the construction technology class built a storage shed for the horticulture class to store their bulk supplies in, while the horticulture class worked on building their own lath house. To do this, they first had to secure huge poles into the ground, then they must cover the top with special screen so sun sensitive plants can grow in constant shade. They also started building a hot house, where plants get sunlight, but not cold and wind.

The horticulture class grew only flowering plants this year, each student selling their own cut flowers for a small profit. They also had to have their own garden at home, and had to keep a record of what they were doing, as part of their homework.

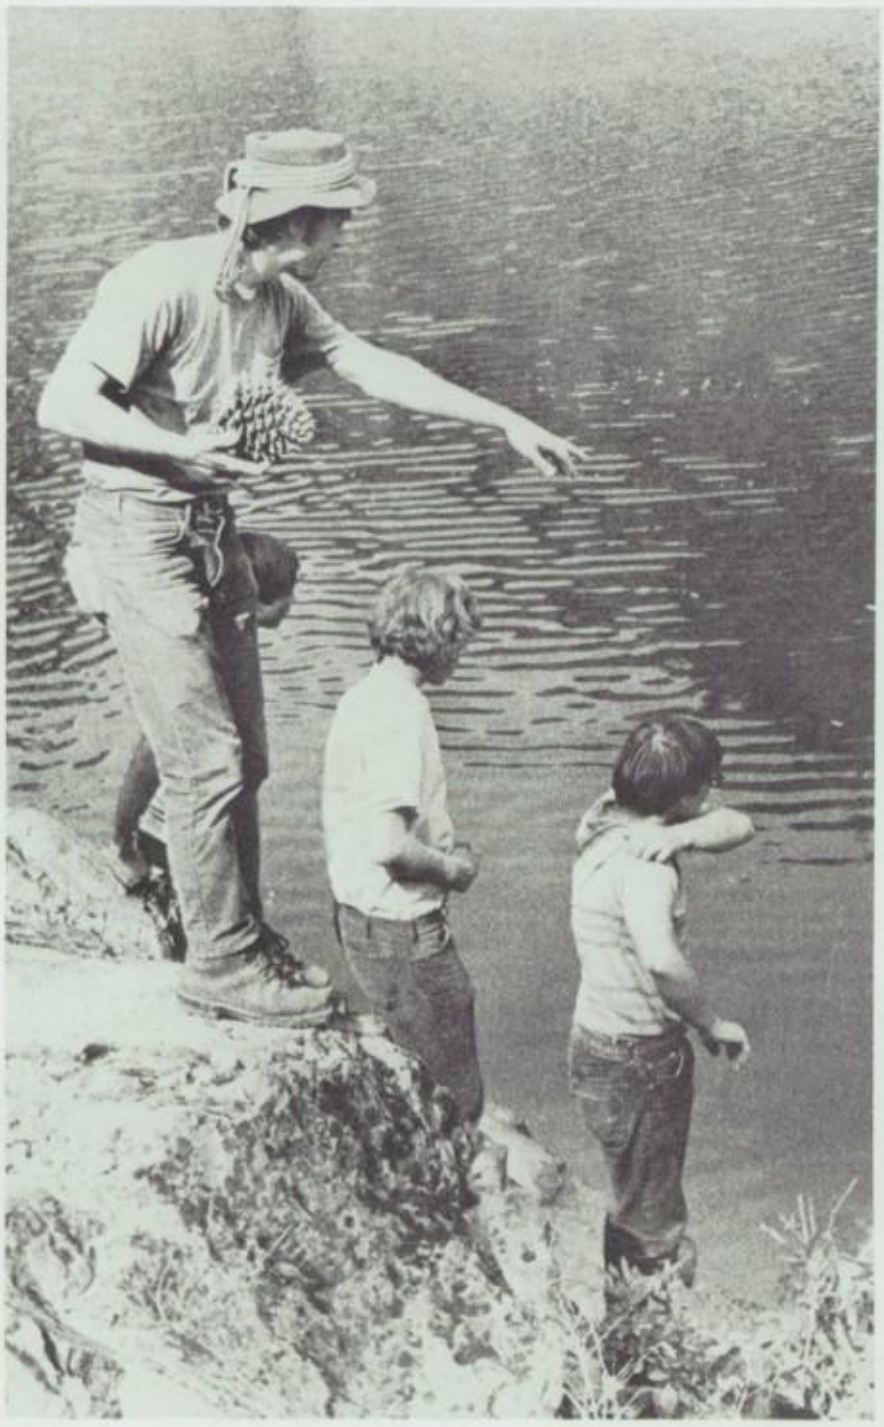
Perfect and Natural Environment For Now, the Future, and Always



Throughout the year Sierra Club has done their best to protect the natural beauty of the countryside, the mountains, the lakes, and rivers that are a part of American culture. Like most Americans these Sierra Club members are concerned with saving the natural resources that have made the United States what it is today. With the help of their advisors Mr. Ed Borovatz and Mr. John Shower, this active group of students gave up their time and energy to make this Earth a better place to live.

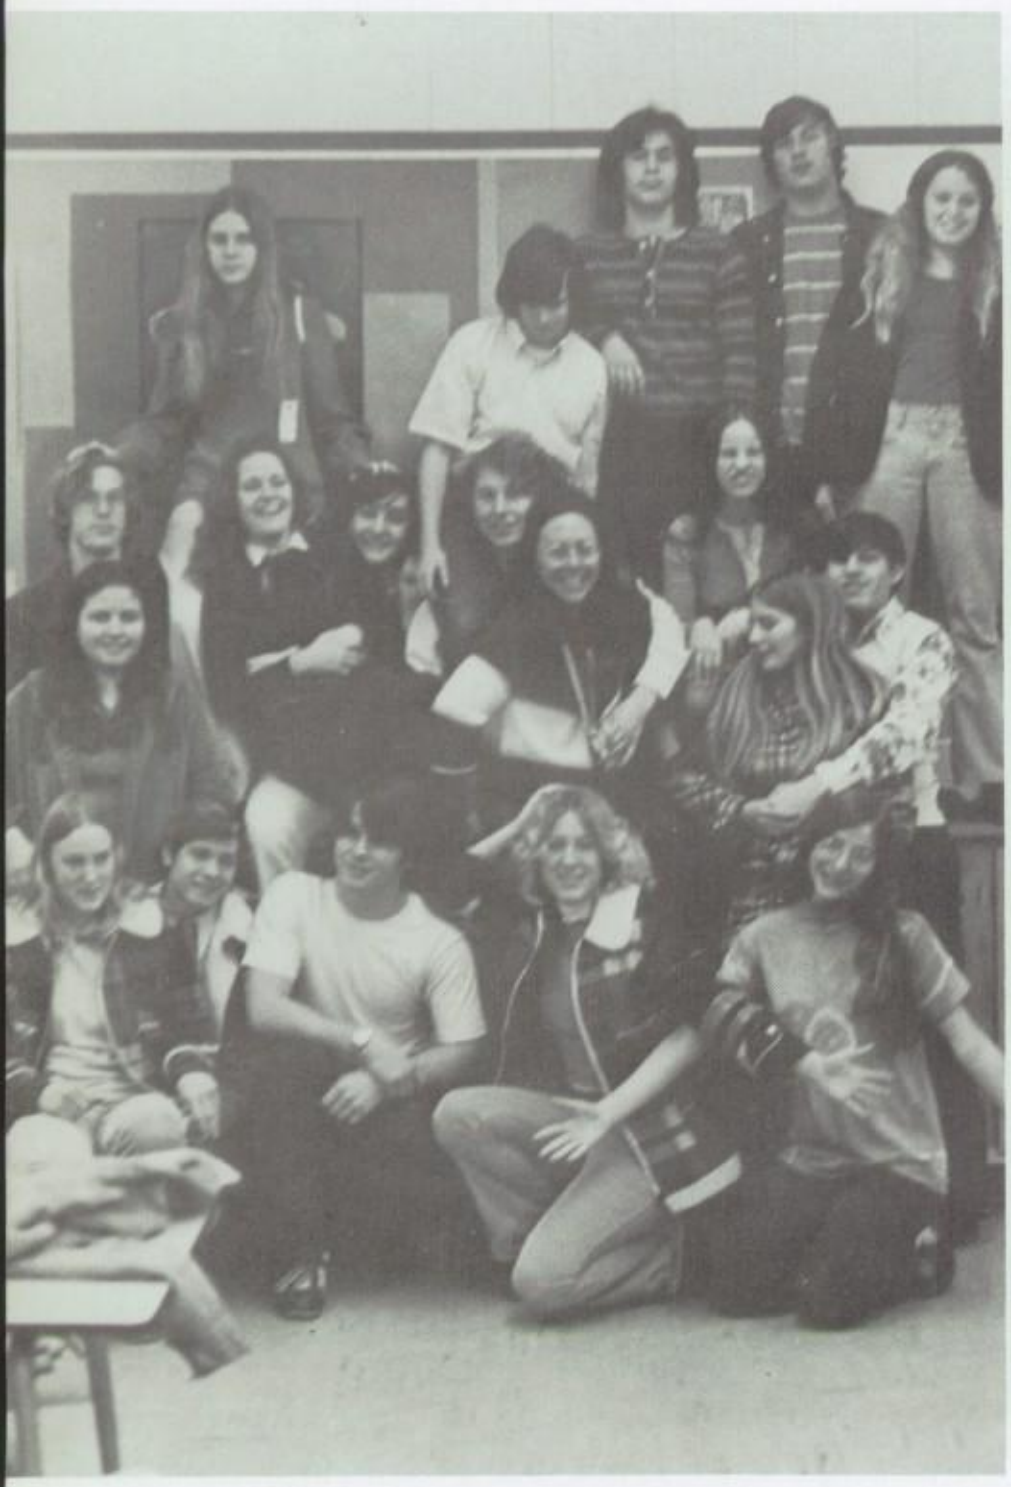
Drama Department Produces "Midsummer Night's Dream," "Spoon River



Many students participated in the conferences in Sonora and Monterey. In Sonora they also did their play, "The Great Cross Country Race." Before they left they stopped in the town of Columbia. This town has been restored from the olden days. They have a stage coach ride and old stores with all kinds of things that they would have used in those days.

While in Monterey they had different workshops, where they showed how to do different kinds of makeup and other things. These conferences help with this year's plays.

Anthology", "The Great Cross- Country Race", and "Hello Dolly"

Drama started off the year with their children's theatre show, "The Great Cross Country Race," directed by Sue Gatch. After this fantastic production they went on to their second show of fine talents in "Spoon River Anthology." This was the first multi-media presentation ever. They had slides, tape-recorded sound effects, and live music. This play was directed by Paul Calendrino. The cast members kept the effect that they were dead people living in a town called Spoon River. Each person had three or more scripts to memorize. The set created an atmosphere of the graveyard in this small town. Not only did the cast have to work hard, but there are many people involved in the play, such as: directors, stage crew, costume crew, and publicity committee. The long hours of work supply us with just a few hours of enjoyment. The play that really was a success was Shakespear's, "A Midsummer Nights Dream." Director of this extraordinary masterpeice is Caren Conway. This play was the biggest of the year, beside the spring musical, "Hello Dolly." Miss Oretski directed the spring musical. Only the best actors and actresses get to be in the plays for this year.

Midsummer Night's Dream Becomes Reality as Drama Students

The performance put on by the Soquel Drama Students and Thespians, clearly shows the hard work and devotion involved in presenting one of Shakespeare's finest works. The actors and actresses rehearsed for six weeks, five days a week, four hours a day. Analyzing the characters, understanding the play, discussing the sets and weekly research papers on Shakespeare, the Elizabethan Period and summeries of the play were also requirements. The set and costumes were the most intricate ever. Meg Gillane designed the costumes, which were made in the same fashion as they were than. Volunteers have been working steadily on the costumes since December.

TOP LEFT: The play within the play is the tragic death of Pyramus and Thisby. Kevin Bowman-flute, Paul Calandrino-Bottom and Greg Shay-Snout, are the performers. Stage a Spectacular Performance of This Shakespearean Play

Midsummer Night's Dream is a hilarious mixed-up play. Puck, a delightful little fairy, innocently fouls-up a numerous amount of love affairs, thus being the cause of all the mischief, and creating a heavy comedy. The setting is in Athens and a nearby forest in the sixteenth century. One of the highlights, and funniest parts of the play, was the play within the play.

Ski Club Provides the Opportunity For Students to Enjoy Living

Ski Club is a club for students who are interested in the sport of skiing. The club is open to all students whether beginners or experts on the slopes. During the season the club has been to Squaw Valley twice. They enjoy their trips even though they are short.

This year Ski Club is going to organize a volleyball team. They have a board which organizes the activities. This board is called S.C.A.B. (Ski Club Advisory Board.) Senior representative is John Pflock, junior is Dan Powell, sophomore is Lisa Lehr and the freshmen representative is Brad McDonald.

American Field Service and Youth For Understanding Welcomes

International Club and American Field Service are one in the same. International Club was formed due to more interest for the responsibility of all the foreign students in the area. A.F.S. is a competitive program emphasizing a year abroad. The student must be matched with a family compatible to them. Only two students are chosen and both, one, or neither, may be able to go. Y.F.U. is a more informal affair. Y.F.U. emphasizes their summer program abroad. You must pay all of your own expenses, but if the Y.F.U. okays you, and you've picked a country with a host family, you're off!

Virginia enjoys our dances, but misses summer in Argentina. Roby Villachen also noticed the cold weather when she arrived, since it is summer in Recife, Brazil. Roby's classes consist of English, Family Living, Spanish, U.S. History, and American Government. Mulugetta Woondmu's hometown is Addis Ababa, Ethopia. Mulu has already graduated from a twelve year school in Addis Ababa, but must graduate again at Soquel High. Hans Wikström, from Lidingo, Sweden, speaks fluent English. He is a photographer on our Citadel staff. Both Hans and Mulu had hoped to come to California and we're very glad they did!

Soquel High Choral Classes Reveal Hidden Talents Through Song

The Choral part of Soquel's Music Department starts the year off right with a new Chorus and A'Capella teacher, Mrs. Pleasant. The Music Dept. appreciates her immensely. She has helped the choral classes and exposed the hidden talent of A' Cappella and Girls Chorus.

Both of the groups have proven what hard work and steady practicing can do to improve a voice as they have shown in their many performances. Sometimes all the hard work doesn't seem worthwhile but the groups are thankful for it as they get ready for a performance.

Soquel's Clubs, Councils, and Committees All Give Aid and Support

The Key Club is dedicated to serving both our school and community. They raise funds for Track and Field, the Athletic Fund, and other school activities. They also have food and clothing drives for needy causes. They also had a booth in this year's Spring Fair. The Commercial Club is active mostly in the Fall; they help with advertising for football and sell programs at the games. With the proceeds they sponsor a scholarship. The members of this club also take a trip to San Francisco, which is made possible by businesses.

The Inter School Council at Soquel High takes part with the Youth Commission in meetings with the school board. They also meet with supervisors from other schools to discuss any important topics that would effect our school or district in any way. Such as the pros and cons of open campus and how it will effect business around school and how it will change our schedule. They have done a great deal of work and research at meetings and by themselves. These two groups have joined together to form the Principal's Advisory Council. Its tasks are to meet with the principal at any meetings that may change or effect the students, and give their ideas and suggestions. The Inter School Council is also planning an exchange day when students from surrounding schools come to visit for a day.

Girls' Honor Works Hard to Provide Help For the Underprivileged

Girls' Honor is a club in which the girls help the underprivileged adults and children in the surrounding area so they can survive in the world today. Last Christmas they held a can drive for the Salvation Army. Also during vacation, the club held a bake sale on the mall to help raise money to buy equipment for handicapped children at Hilltop House. Model Rocket Launches Into Action; Rodeo Club Enters the Ring

This year two new clubs were added at Soquel High School. They are Model Rocket Club and Rodeo Club.

Model Rocket Club is a club which involves the building and launching of model rockets. The club also experiments in Aerodynamics at weekly meetings they hold to discuss launches they plan to have in the future. This club is open only to boys and there are no requirements to join.

The second club is the Rodeo Club. This club is open to either girls or boys and there are also no requirements to join. The Rodeo Club enters rodeos all around the area in which they can compete, however they do not compete for money but rather for trophies, buckles, and ribbons. There is a student in charge of this club and a teacher in charge of the Model Rocket Club.

Kris Starn and Jeannie Gulotta Produce Informative Newspaper and

This year the Lancer started off with an almost completely new staff, due to graduating seniors. Despite the lack of experience, the Lancer rated best in the county after winning the national first place last year in the Columbia University's Journalism Competition.

The newspaper acquired two new sports editors, Chad Connor and Mark Wagner, bringing a new column entitled "Horsefeathers." Other new additions were "Esoterics" and "Bullangus", and the traditional controversial issues, the bonfire and open campus. Keeping students informed proved to be hard work for editor Kris Starn and the Lancer staff.

Due to the large amount of people at Soquel High this year, the classes became larger making it necessary to add sixteen more pages to the 1973 yearbook.

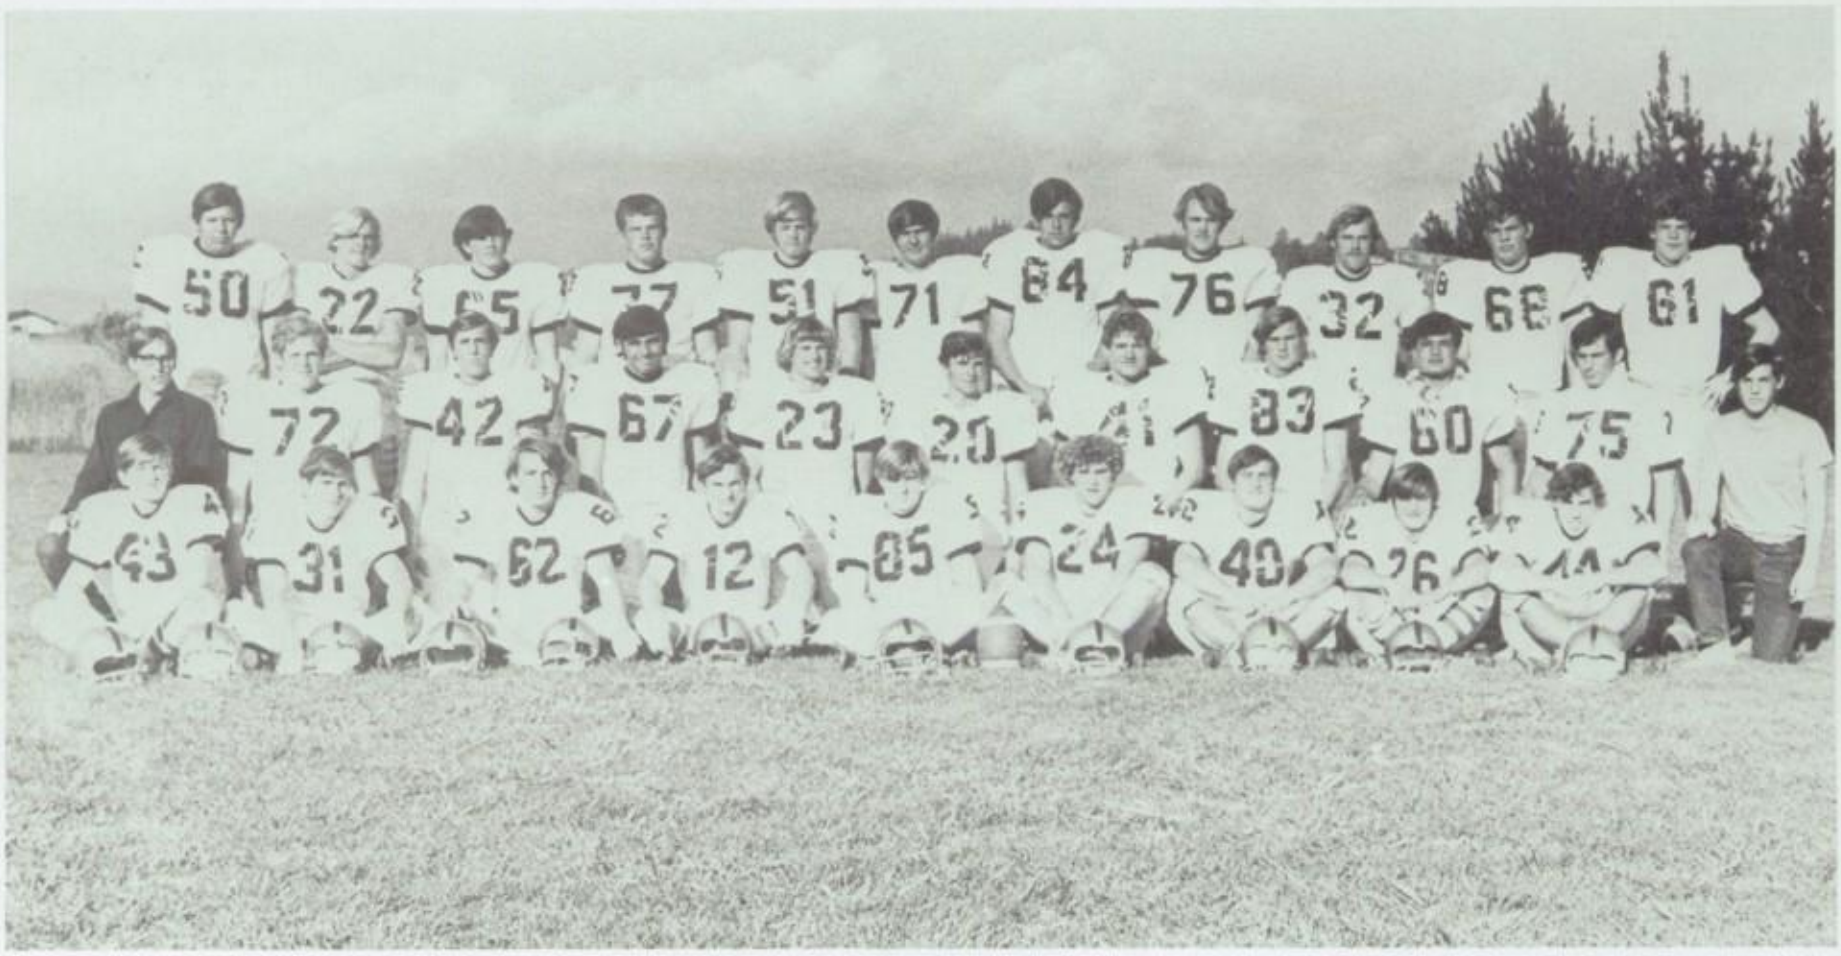
Mighty Knights Get Off to a Slow Start with Their Season;

The mighty Knights started out right with a 30-20 non-league victory over Santa Clara. The highlight of the game was a 76 yard TD kick-off return by Scott Thorne.

Next game was a 20-12 win over Seaside. Steve Van Den Huevel and Greg Feaster gained 69 and 64 yards respectively.

Sport, T. Alexander, E. Jekins, T. Estes, R. Edwards, R. Walder, T. Grapp, T. Sutton.



Soquel's offense had problems moving the ball and costly mistakes prevented the Knights from doing any further damage. The same story applied to Harbor's offense as once again.Soquel's strong defense shut off their attack completely.

The rain played a major part in the game, as there was an abundance of fumbles and interceptions.

BELOW RIGHT: Captains Scott Thorne and Dave Beccaria accept the second place Jamboree trophy with school superintendent, Dr. Mark Lewis.

The Knights Polished Defense, Beat the Trojans for M.B.L. Title

The next regular season game was against Santa Cruz and we won 15-6. It was a good evening for the Knights. Scott Thorne led the 216 yard rushing attack with 76 yards.

Another season game was a 24-0 rout of San Lorenzo Valley. Senior running back, Randy Walder, gained 75 yards and junior quarterback Steve Van Den Heuvel had 64 yards.

The Knights edged Alisal in the play offs 14-13 with less than a minute to play; a fired up Soquel defensive line charged in and tackled the Alisal ball carrier for a safety and 2 points making the final score 14-13.

Without the great Soquel defense Soquel may not have won Alisal to go on into the championship playoffs.

MIDDLE LEFT: Kenny Sanden intercepts a pass from Monterey Q.B. John Pflock and Hugh Thorne try to help Sanden. MIDDLE RIGHT: Dave Haley smashes out a few yards against Monterey.

Monterey's playoff game was a sleeper until the last quarter. The score was a shocking 0-0 and neither team was moving much. Try as they may Monterey couldn't put six points across the scoreboard against the polished Soquel defense..Unfortunately Soquel could not tally against Monterey either, so at the end of the game the score was 0-0.

Then came the sudden death playoff game with Monterey, Soquel winning it 6-0.

LEFT: This year all-league selections were, left to right, Steve VanDenHevuel, Dave Beccaria, and Scott Thorne; bottom row, Tom Schneider and Paul Kayson.

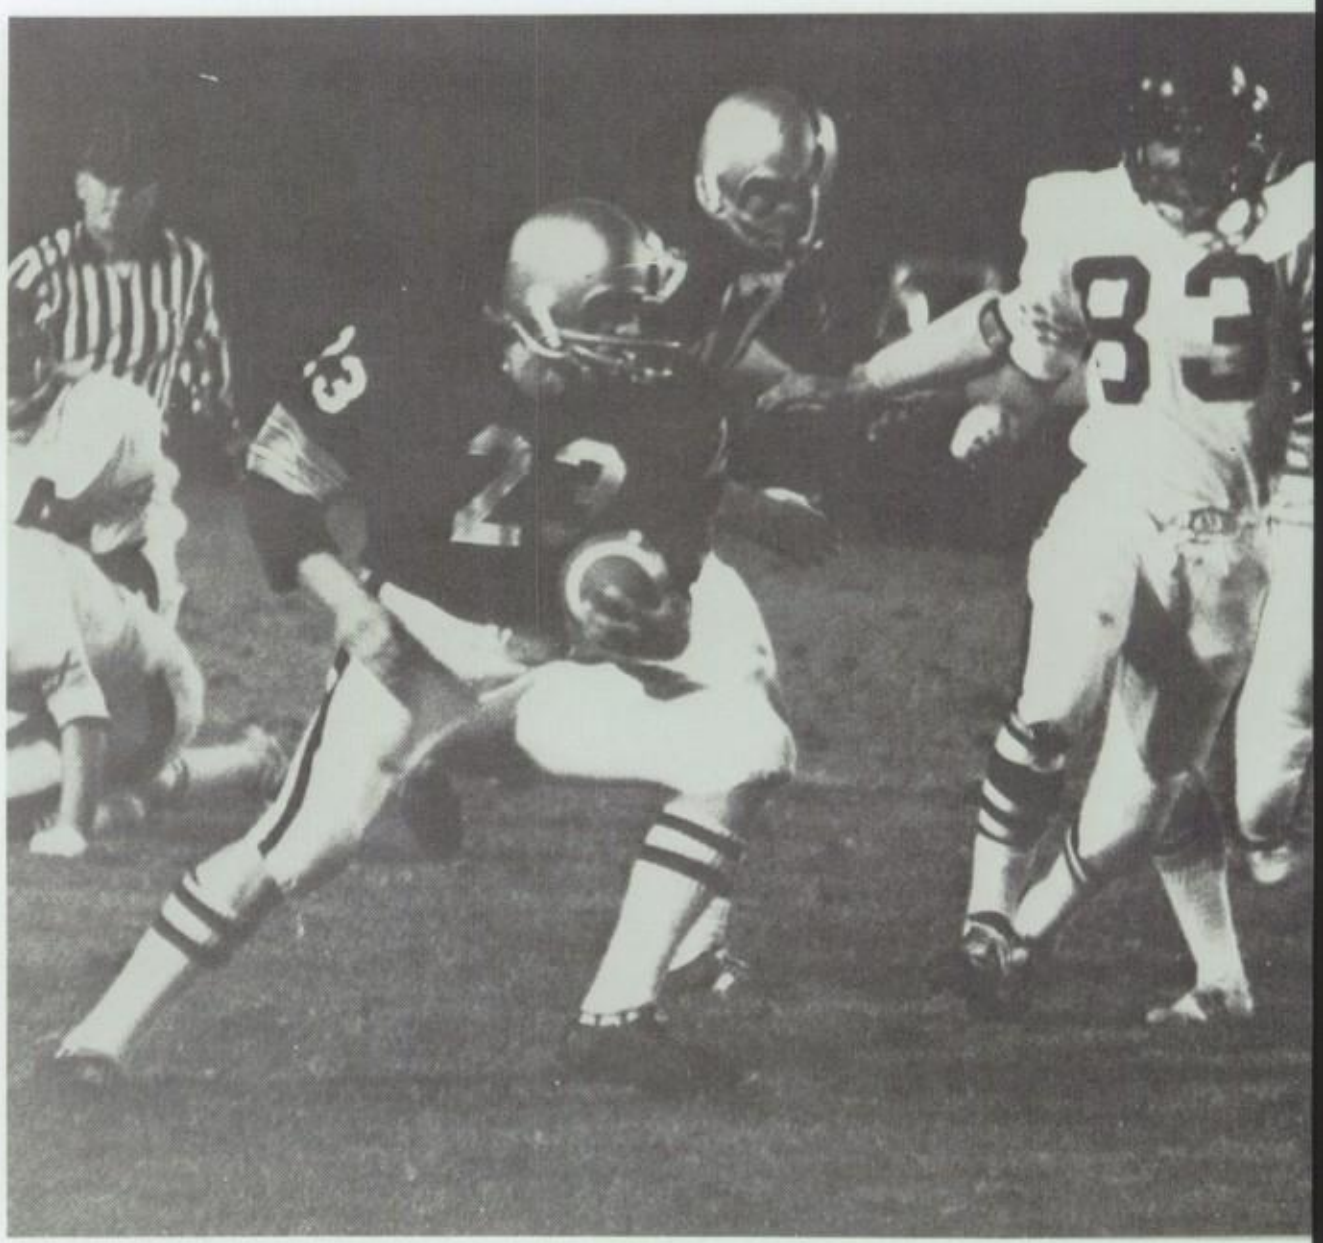
Knights Put Clamps on Seaside But Fall to Watsonville Cats;

The Knight defense put the clamps on Seaside's supposedly strong offense giving them, five yards on the ground, with an added 117 in the air.

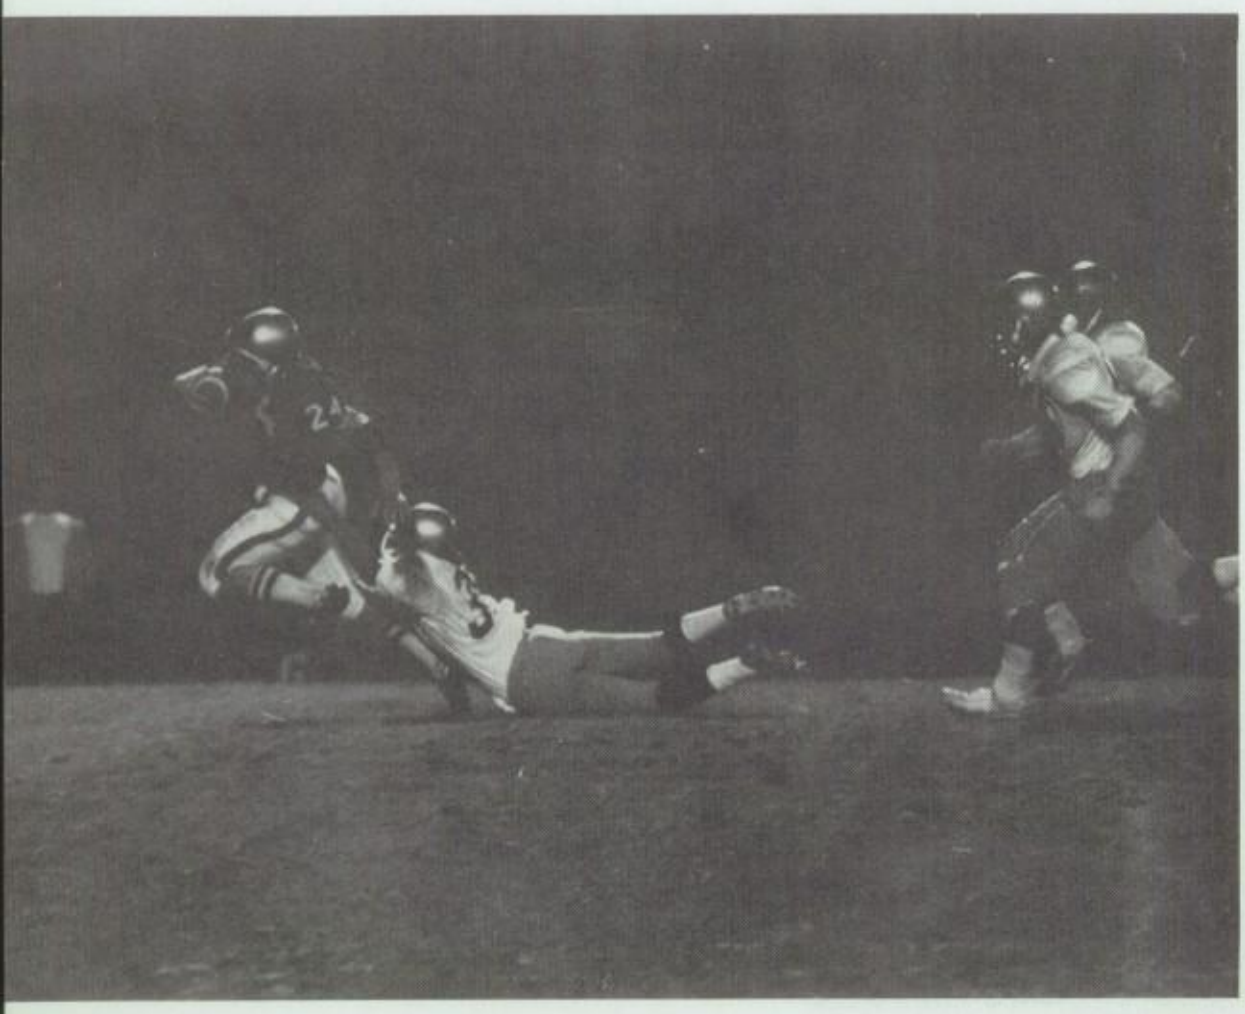
Soquel put together a strong running game led by quarterback Steve Van Den Heuvel and running back Greg Feaster. The Knights gained 195 rushing yards and completed five yards in the air as both Van Den Heuvel's passes were good to Hugh Thorne.

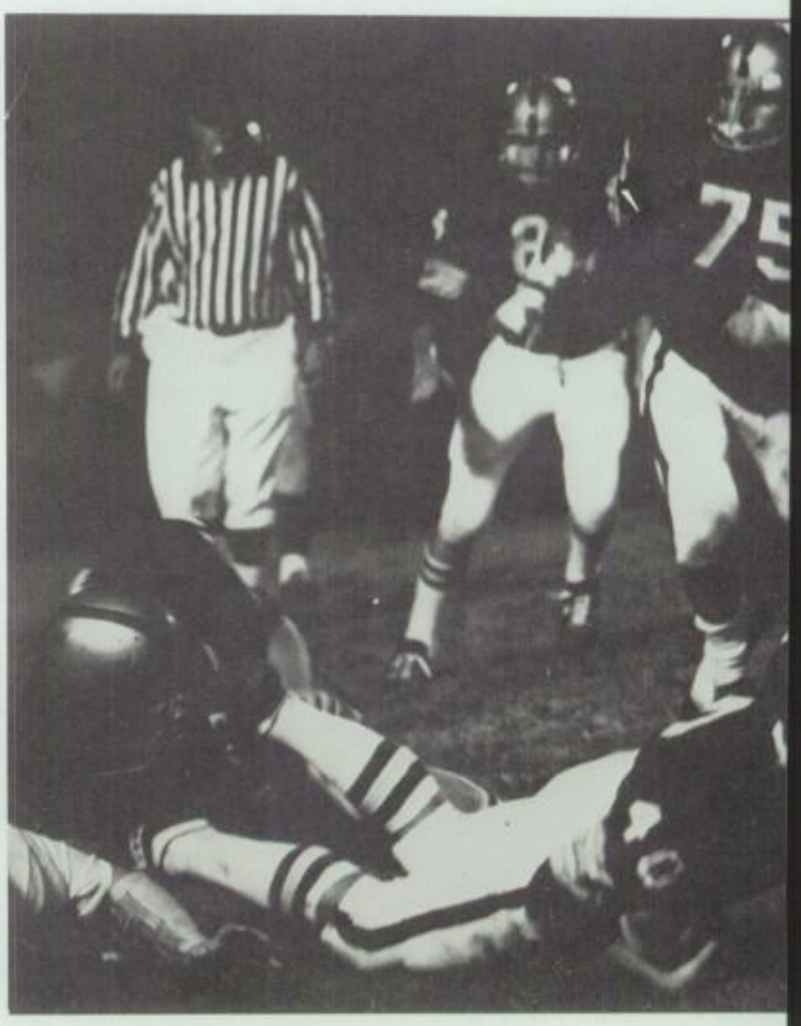
Watsonville had one of their biggest football victories in history as they shocked Soquel with a score of twenty-one, twenty.

The Knights were continually frustrated by making many mistakes. The big factor for Watsonville was their scoring single touchdowns in the first, third, and final periods, while the Knights pushed across two scores in the second period and another in the third.

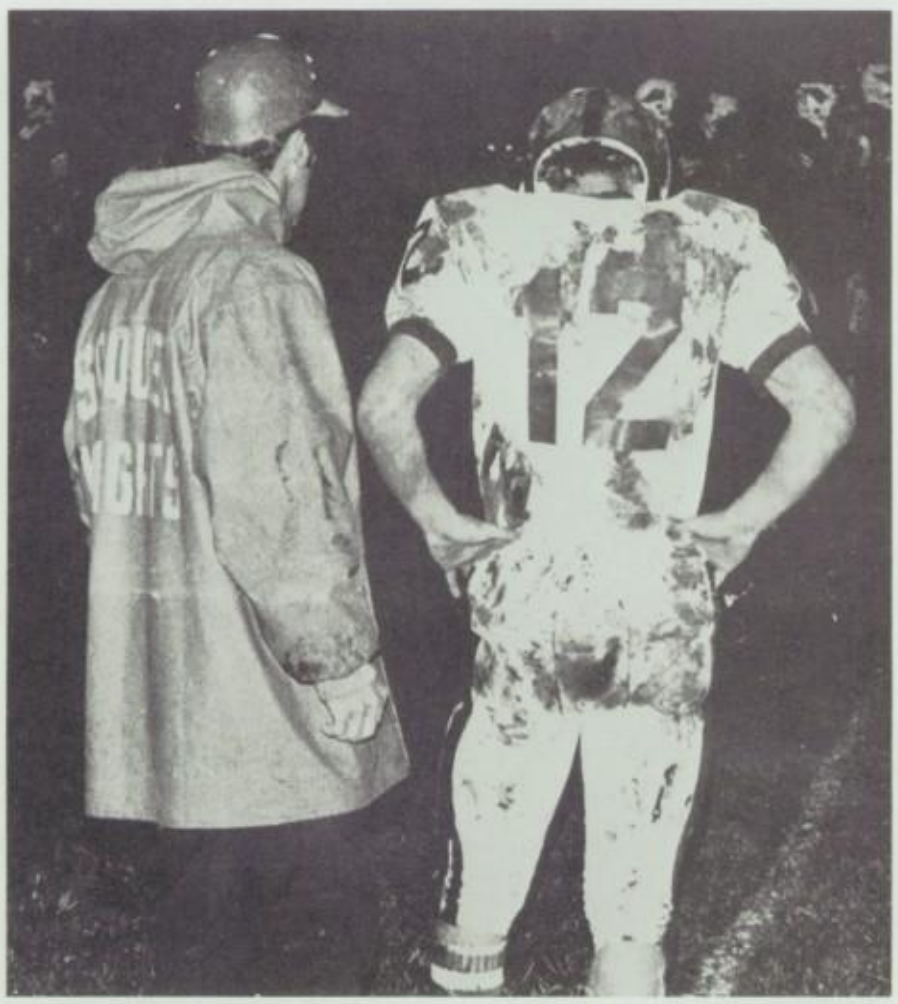


TOP: Paul Kason attempts to set up a block as Huey Thorne shoots for the hole during the Seaside game. BOTTOM LEFT: Scott Thorne exhibits second effort while striding for the Watsonville goal line. BOTTOM RIGHT: Tim Estes and Dave Baccaria hussle over trying to protect Greg Feaster from Watsonville defenders.





Soquel Carries on Usual Tradition, Rolling Over the Birds



In spite of mud, the Knights held a score of eighteen to zero against Harbor. Statistics reveal the tone of the game as Soquel out gained Harbor in first downs. In total yardage, the Knights picked up all but 29 yards on the ground. Harbor got its biggest gains on pass completions.

The champion Knights played a good first half in great offensive and defensive fashion running for 11 first downs. While holding the Cardinals to none, compared to its first half stats (two touchdowns, 132 rushing yards.) Soquel wasn't as impressive the last two periods (no touchdowns, three first downs, 84 yards gained.) Nevertheless Soquel rammed through the Cardinal defensive line for easy yardage time after time.

Knights Lose to Leland for C.C.S. Title, but Take M.B.L. Title;

Soquel Knights battled Leland for the Central Coast Section playoff. Soquel had a great and well polished defense for the first half of the game, with the score only 12-0 at half time. But something happened to Soquel the second half. They did not shine like they did in the first half because Leland came back to score in the beginning of the third period leaving the Knights almost hopeless.

TOP RIGHT: Steve VanDenHevuel rolls out for pass against Leland line. MIDDLE LEFT: Greg Feaster speeds around end for long yardage.

But the Knights weren't ready to give up because later in the fourth quarter Soquel scored with Scott Thorne running from five yards out to the end zone which Steve Van Den Heuvel set up by completing four straight passes from Soquel's 40 yard line to Leland's five yard line. That was the only score Soquel earned, the final score being 36-6.

Outstanding players of the year were Steve Van Den Heuvel, Dave Beccaria, Scott Thorne, Tom Schneider, and Paul Kayson.

Junior Varsity Terminates a Great Season With a 5-3-1 Record

The Soquel High J.V.'s were the victors that Saturday night over their rival, Harbor High Pirates, as Soquel won 6-0. It was the first win of the season for the J.V.'s in the mud filled contest which resulted in a low scoring game with the Knights. The Knights held on to an early six point lead to boost their school record to 1-1-1 in league play. The Knights scored early on a mixed up play which resulted in a touchdown. Lloyd Johnson, the backup quarterback for Mike Stewart, was sent in with a play by head coach, Doug Severin, and then proceded to throw a touchdown pass to sure handed receiver, Dave Kirkendall.

First Year Junior Varsity Captures M.B.L. Northern Division Title;

Defensively Lloyd Johnson led the Knights defenders to a shutout in the game against Harbor. With three minutes remaining in the game Mike Stewart rolled out in a passing situation and in the mud and rain lost the handle on the ball.

Harbor then took possession of the ball on the 35 yard line, but as the Harbor quarterback dropped back to pass he was thrown for a loss by Rich Temco. Then a few plays later he again dropped back to pass and was hit by the Soquel defenders, but a face mask by an eager Soquel Knight resulted in a 15 yard penalty.

The Junior Varsity finished the season with a 5 win, 3 loss, and one tie record. They were the M.B.L. Northern Division Champions. According to Coach Severin, most of their success was due to Mike Stewart's ability to pass and Dave Kirkendall's ability to receive those passes. Several games had better than 100 yards thrown and this always seemed to inspire the running game, which could not be stopped.

Knights Have Small Team But Lots of Spirit to Make Up For It

During the Knight's season they always had a close game which always excited their fans. A lot of people thought that Soquel would have a losing season but with sure will power Soquel never gave up hope, not for one minute. Soquel had a lot of talent on the team with starters like Dale Hendrickson, Jim Turner, Keith Phariss, Rex Nicoliasen, and Dave Seapy. They didn't have the height so they had to use team effort to win most of their games.

Coach Curtiss has always had a 50-50 season or better which is hard to beat. Most coaches can't do the same thing Coach Curtiss can do. He can take any club and make a winning team and for this Soquel is glad to have Coach Curtiss with us instead of against us. Soquel ended up with a fine season with mostly all juniors playing so we should go all the way next year with Dale Hendrickson, Rex Nicoliasen and Dave Seapy all coming back next season.

Soquel Knights Have Close Games During the Regular Season;

This year's varsity basketball team lacks height. To make up for this they had to rely on the fast break and outside shooting, even though they had the height of Dale Hendrickson, Keith Phariss, and Dave Seapy. These range from six feet to six-five which is not very tall for basketball today.

Their first tournament was the annual Dad's Club tourney in which Soquel took third. Their first game in the tourney was against Watsonville. It was no push-over for the Knights because at half-time the score was only 41-36. The only thing that saved Soquel was their strong defense and a couple of quick baskets by Rex Nicoliasen, Dave Seapy and Dale Hendrickson in the last minutes of the game to make the score 55-46.

TOP: Dale Hendrickson makes an easy jump shot over his defender.

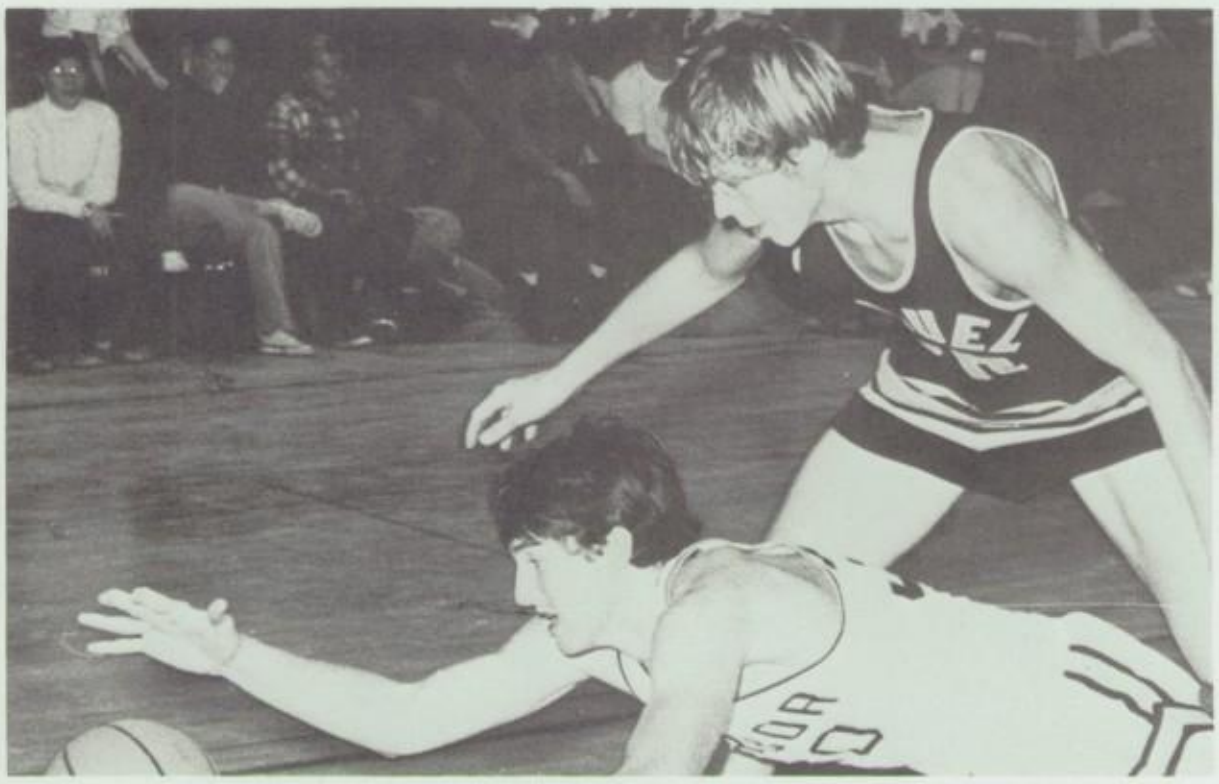
Fighting Knights Finish Up an Outstanding Season For Their Height



The next game in the tourney was against Aptos in which Soquel had a off-night because they got stomped by Aptos's hot-shooting team, with the score 74-54 at the end of the game. Since Soquel lost against Aptos, that brought them down into the consolation bracket, playing Milpitas. This was a close game all the way down to the last minute because the score was tied all the way through until Jim Turner got fouled at the end of the game. Turner went to the line, swished through the first of one and one to secure the win for the Knights. So Soquel took hold of third place in the tourney with lots of hard work.

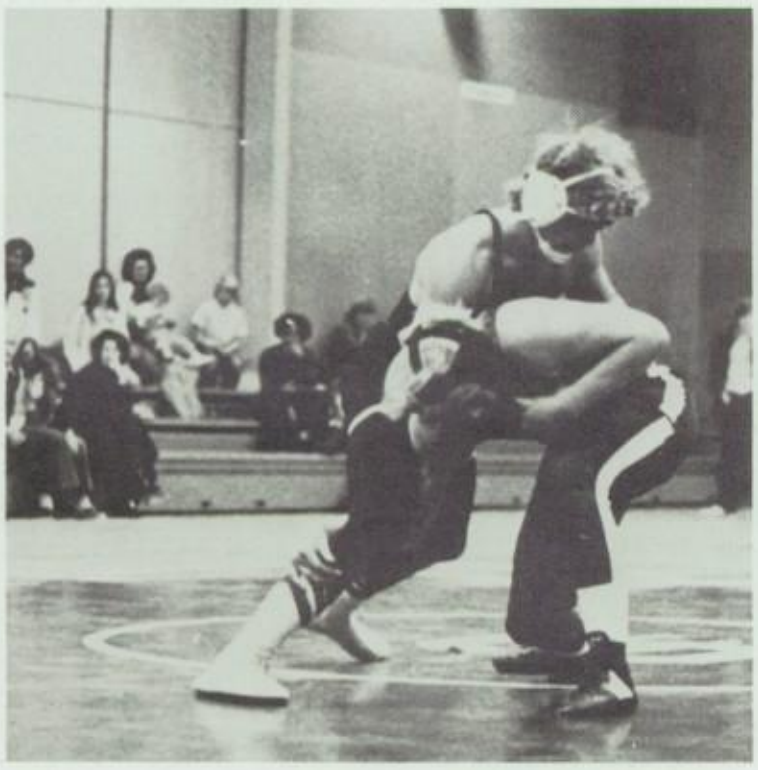
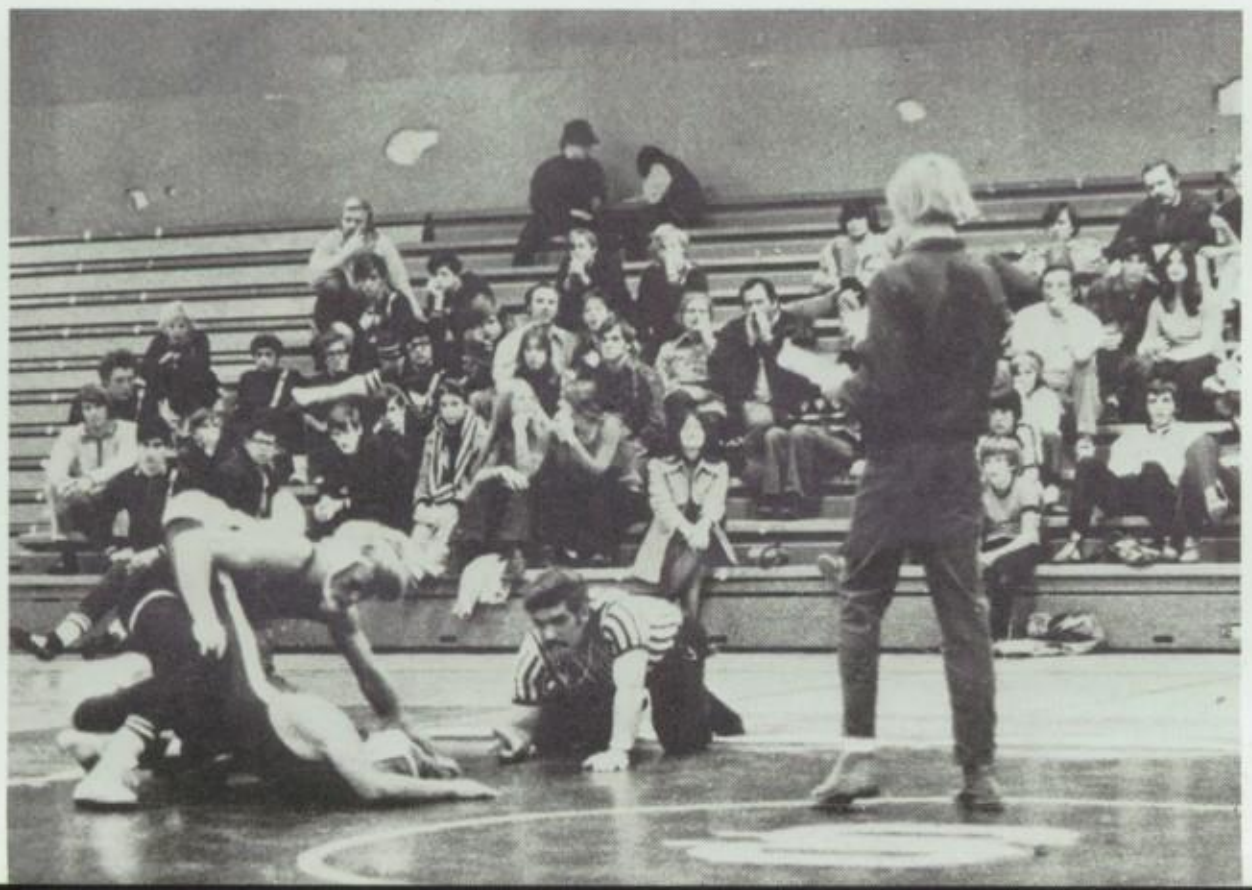
'73 Wrestlers Make Their Presence Known in the Monterey Bay League





With Coach Ed Farrell at the helm Soquel wrestlers finished a mediocre but rebuilding season this year. The grapplers were led by senior sensation Scott Thorne, and juniors Ruben Donoto and Clay Lindsey. Senior stalwarts Paul Mooney and Mark Young teamed with Captain Don Miller for consistent match wins.

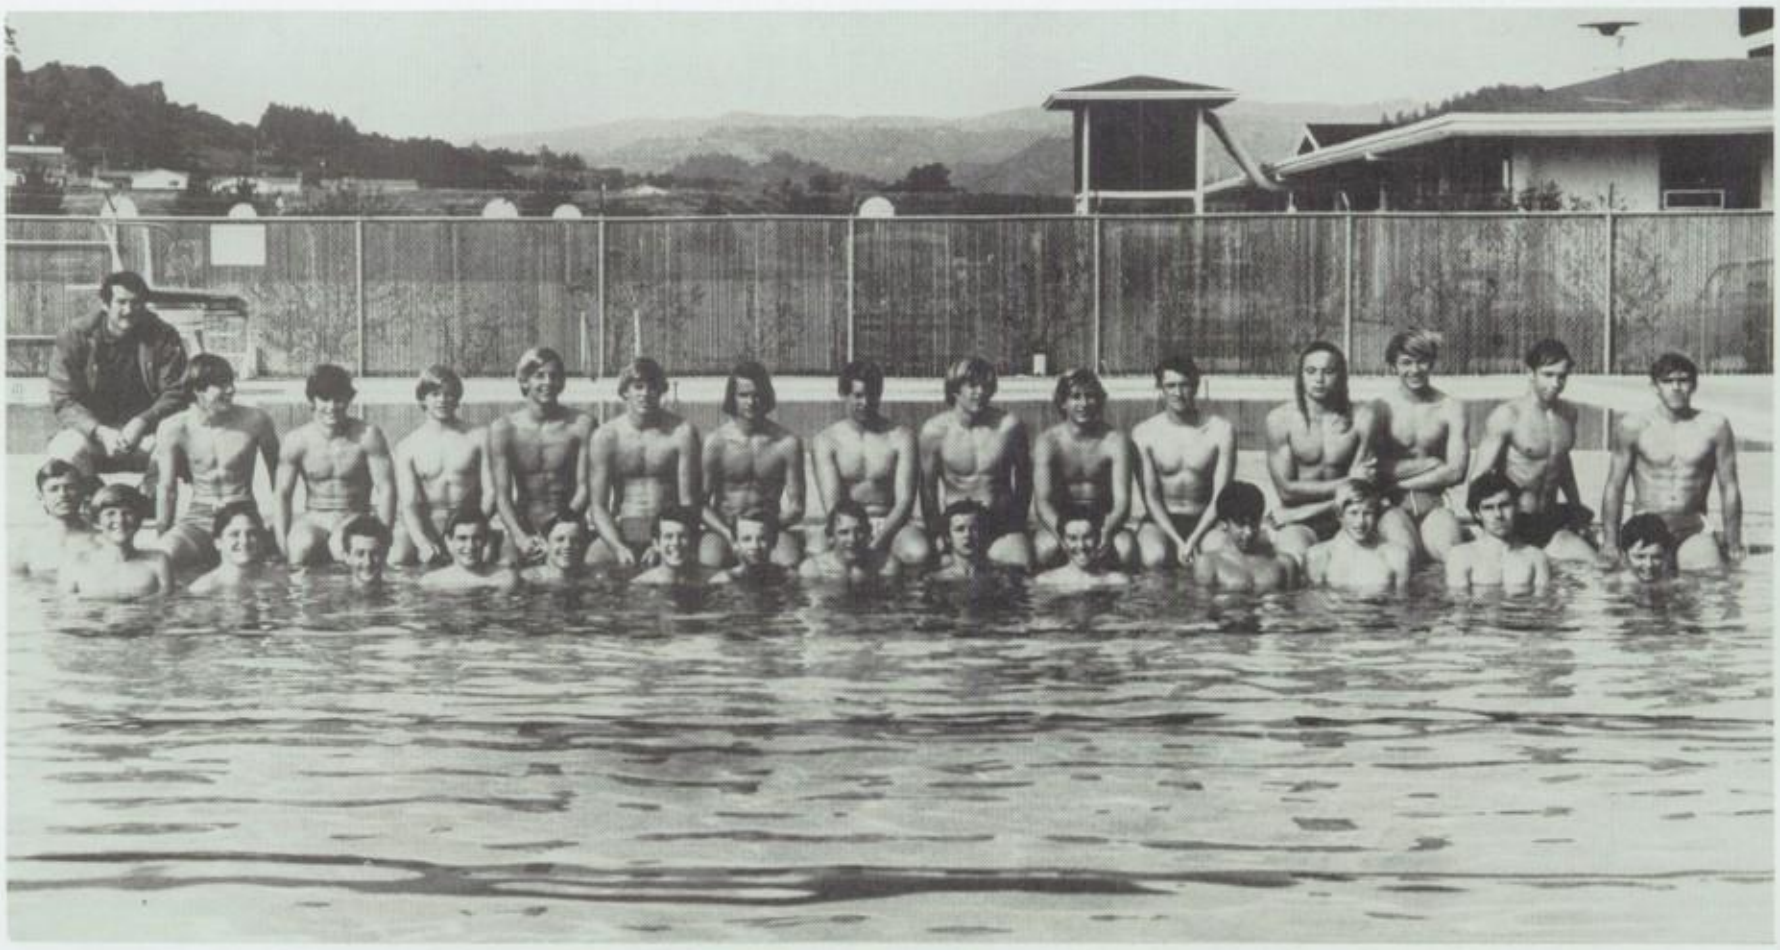
Soquel's Fish Team Places in Cabrillo College Relays;



Coach Wes Musitelli is very enthused over this year's swim team. Despite the fact that the varsity consists of juniors alone their compel to win must be driven by champion Frosh-soph swimmers Mark Miller, Ron Hopper, Tom Striklen, Mark Gieseke, and Clay Reed to lead them to victory. According to Coach Musitelli, the Mermen face two teams that might give them some competition, Harbor and Salinas. There are three new varsity swimmers this year, Charley McClean, Dan Friedline, and Barry Verkennis. All of them are redhots.

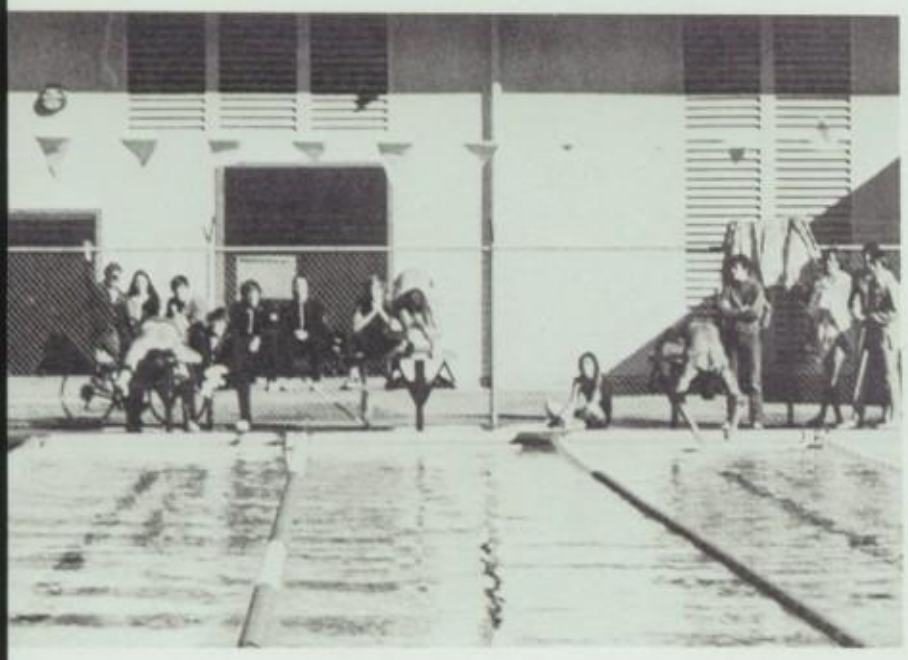
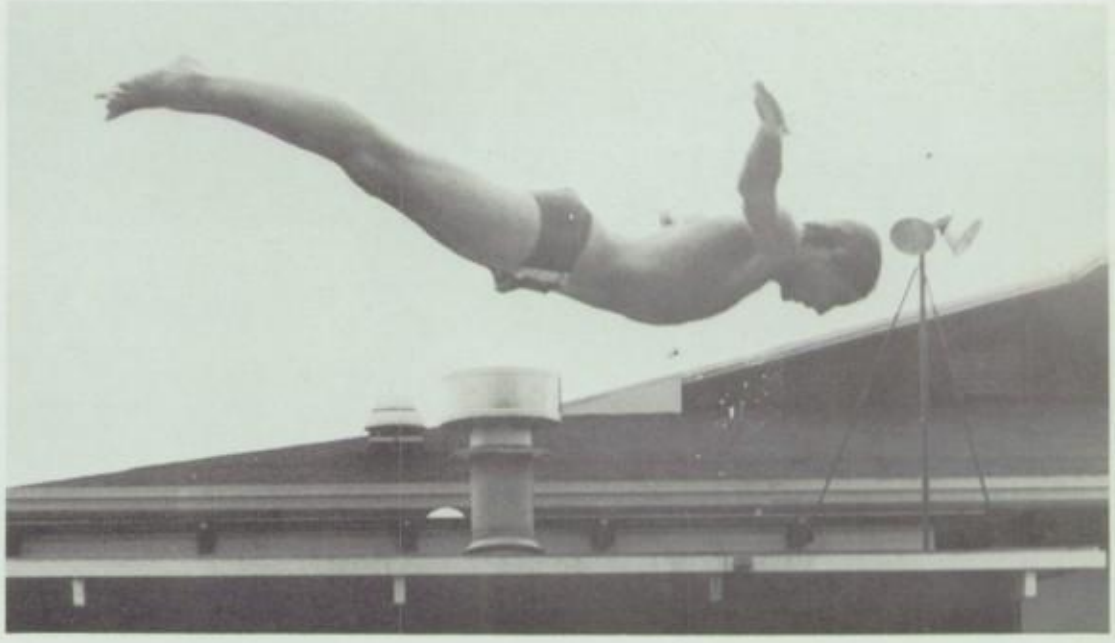
This Year's Swimmers Have Best Year Yet at Soquel High





The Frosh-soph team is doing a heck of a job this year as like the varsity they are also undefeated. The deciding playoff meet will be against Aptos and the winner will return home with the league championship. This year expert divers for the mermen are Dan Powell and Al Reed.

Track Team Ends Up With a Fantastic Season's Record

This year's track team had the biggest turn out ever with 25 members on varsity and 40 members for Frosh-soph. Soquel's track team also got a new Coach. Coach Nicoll had trained people for the Olympic games. He has also helped Soquel's track team on his own time. For this year's track team there were only 8 seniors to represent Soquel this year in track meets. Soquel gained most of its points in track meets by the running events.

TOP: Mark Young makes a perfect jump. MIDDLE RIGHT: Dave Beccaria lets a powerful throw go. MIDDLE LEFT: Brad Ward wins first place in Seaside meet. BOTTOM: Jim Fox and Scott Thorne take poison on a Seaside runner.

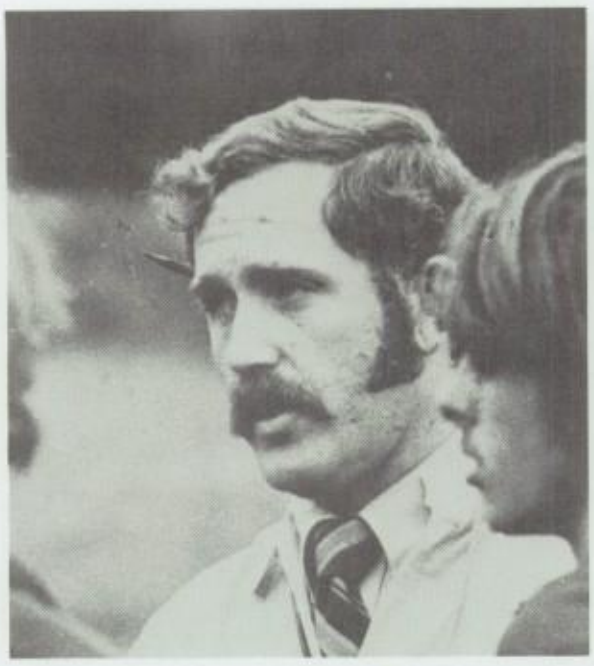
The strongest runners were: Denis Carruth, Greg Feaster, Gary McConell, John Walder, Steve Van Den Heuvel, Martin Capron, Scott Thorne and Lee Rudnick. The field events were taken up by Dave Beccaria, Russ Edwards, Terry Graap, Tom Sutton, Jim Fox, and Lee Rudnick.

Soquel had a very good year with 8 wins and 2 losses. Soquel had strong team effort this year which almost brought the team to the top of the list in the Monterey Bay League. They had the best effort ever.

Big Turnout of Knights' Cross Country Team

This year's cross country team had a record turn out! This year thirty-two runners joined the team. And so far have done very well. This is because of coach Thomas' 5-10 program, our varsity guys run 5 miles in the morning and 10 miles after school. Practice will pay off in the tough M.B.L.

In an early season meet at Mt. Madonna, the freshman team took first place while the ailing varsity took 4th. Hardly the case when everybody's healthy.



TOP: Coach Thomas gives a few important words to the team before the big meet. TOP RIGHT: Gary McConell on his way to a big first place.

The varsity squad also won easily. Gary McConnell did his good deed for the day by letting a Card runner pass him the last second for the win, but we won easily.

The Juniors took up most of the spots on the varsity squad this year. Among the best performers are Gary McConnell and Denis Carruth.

MIDDLE: Cross Country Team. Top row: Tim Hoffman, Dave Claire, Craig Harlamoff, Kevin McConnell, Greg Roubal, Tom Johnson. Bottom row: Brian Baeslar, Jeff Brown, Kenny Murray, Dave Capron, Rob Stuart, Mike Kinsella, Tim Wilson, Don Francowiak.
BOTTOM: Alex Migues desperately tries for a first place.

Cross Country Team Whips Up a Second Place Position

This year the blue and gold clad harriers were again a top team in the section. After the league meet in which they had to settle on second behind Watsonville, they went on to be very competitive in the area and section meets.

Riddled with injuries throughout the season, the varsity could only get it together in one invitational, Alisal, as they took second.

Gary McConnell was the premiere runner finishing 7th in the league with Denis Carruth taking 8th, Mark Wagner 15th, Brian Baesler 16th, and Alex Migues 17th.

The Frosh-Soph team was led by two freshmen, Dave Capron and Dave Clemens. The frehsman team took 2nd in the Mt. Maddonna Inv. and the sophomores took 2nd in the Alisal Inv. The top five Frosh-sophers were, Capron, Clemens, McConnell, Andersen, and Francowiak.

Next year's team will have only one runner graduating, that being Denis Carruth. All-league selections, Mark Wagner and Gary McConnell will be returning along with Tom Johnson, Alex Migues, Jeff Marshall and Brian Baesler.

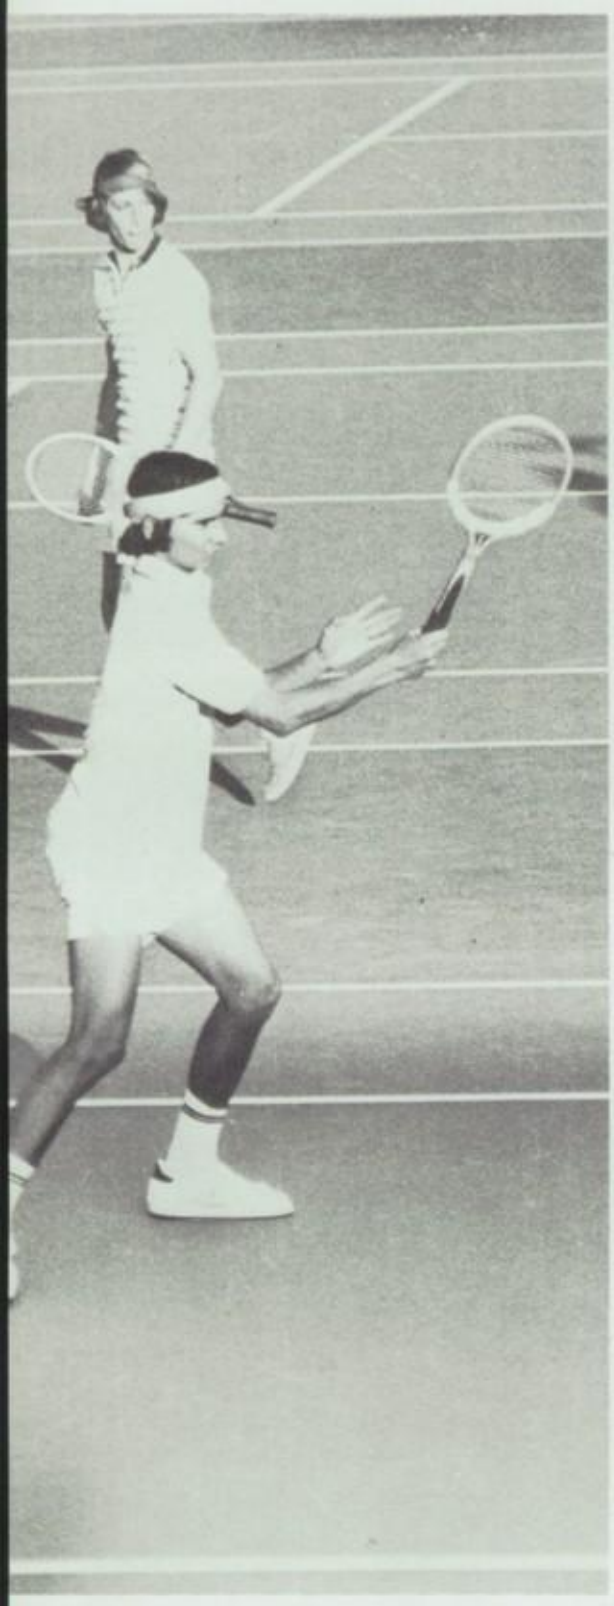
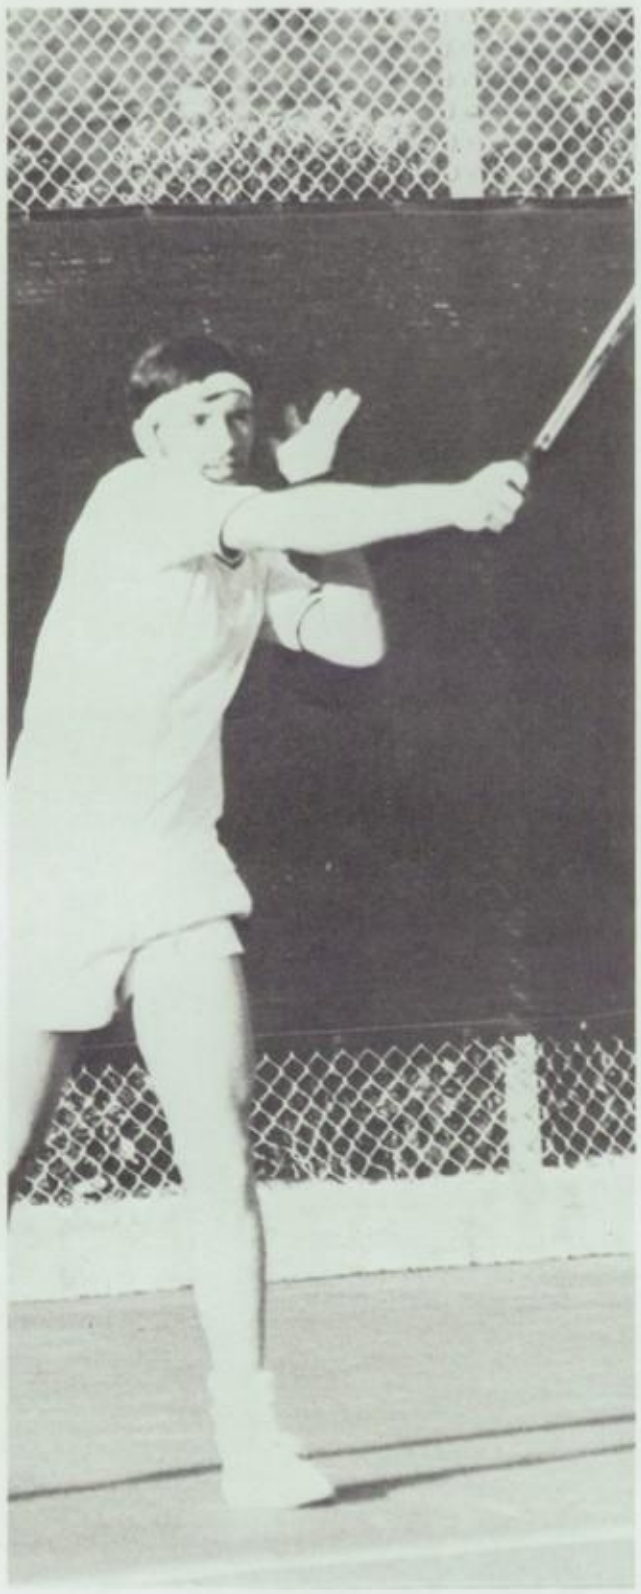
Fine Soquel Representation in Monterey Bay League by Golfers;

This year's golf team was paced by junior Adam Kayson and senior Gary Pounds. As of this writing the team had not played regular season matches and had won one and lost two in pre-season action. The team is coached by Mr. Ken Peterson. Most players will return next year.

TOP: Golf Team: Steve Cardarelli, Dave Manning, L. Dana, Scott Wicht, Craig Linquist, Gary Pounds, Bob Berg. Bottom row: Steve Yeffa, Ken Still, Larry Danna, Adam Kayson, Steve Chase.

Soquel Netters Tops in Northern Division of Monterey Bay League





The varsity tennis team was lead by junior, Pat Fitz and senior Bruce Mayer. Other consistent performers were Marc Jones, Les Sherman and Sam Olson. The first match of the season was against Aptos. The Knights won easily by winning every match except one. The final score was 8-1.

Knights Run Opponents Into Ground;

Soquel is notorious for coming up with contenders for the league title in Baseball. Perenially a second place finisher, this could truly be the year for the Knights.

Led by a strong pitching staff, the Knights battled there way to the top half of the league.

After losing their pre-season opener, the Knights, coached by Ron Walters, blitzed their way to a 5-3 win over Carmel. Tony Calcagno had the potent bat for the Knights with a 2-3 day.

Notorious Knights Finish Near Top of M.B.L.

The Knights opened league play with an impressive 13-4 rout over North Salinas. Jeff Hamm, Jeff Genovese and Tony Calcagno all contributed greatly to the winning effort.

Soquel also thumped league favorite Aptos in pre-season play, 2-1 and 1-0.

Soquels pitching was strong this year. The staff was paced by senior Mike Tilus. Tom Schneider pitched fine ball along with Jeff Hamm and Dale Hendrickson.

The team this year had many young players so next year should be ever better for the Knights.

GAA Stands For Girls' Athletic Association at Soquel High;

GAA stands for (Girls Athletics Association). The GAA girls would come every second and fourth Thursday of the month. The girls picked officers and they are: Pres. Sharon Pound; Sec. Cindy Pace; Treas. Lori Leach. The GAA girls would come on Thursday nights and work on the things they enjoyed the most. They offered swimming, volleyball, basketball, badminton, gymnastics, and trampoline. The girls enjoyed coming to the GAA meetings. Most of the girls that go to the meetings are in girls sports. The advisors are Mrs. Walters and Mrs. Townsend.

Swimming, Gymnastics, Volleyball, Just Three of Many Girls' Sports

Girls Sports is girls that are on either badminton, basketball, volleyball, or swimming team. The girls did many things this year to make it mean more to the girls who participated in the things they did this year. Mrs. Walters and Mrs. Townsend are the advisors of the girls sports. What they wanted to do was let the girls have the true feeling of competing. They had competition between other schools around here. The swimming team had four meets and won two of them. In basketball they an A and B team. The A team won all of the games they played. While the B team won 3 and lost 2. Badminton did really outstanding this year. The girls competed for the enjoyment of the games as well as for winning or losing in stride.

Nothing of importance
Or great essence
Can be created unless
First there are things pre-existing.
Those things that pre-exist
Become reality with the ingredient
Of time and thought and motion
In some form of harmonious pattern.

. . . this time called life . . . is for you students of Soquel High to experience with thought and importance
